

LP Building Solutions and Huber Engineered Woods LLC Reach Settlement in Patent Infringement Litigation

August 7, 2023

Under the agreement, LP to continue to manufacture and sell LP WeatherLogic® Air & Water Barrier

NASHVILLE, Tenn., Aug. 7, 2023 /PRNewswire/ -- [LP Building Solutions](#) (LP), a leading manufacturer of high-performance building products, and Huber Engineered Woods LLC have entered into a settlement agreement to resolve all the patent-infringement claims against LP WeatherLogic® Air & Water Barrier. As part of the settlement, LP to continue to manufacture and sell its Structural I sheathing with integrated water-resistive overlay under the WeatherLogic brand name. Further terms of the agreement are not being disclosed.

LP WeatherLogic is widely regarded by building professionals for its ability to support more resilient, durable builds.

"We are incredibly proud of LP's innovative suite of high-performance products," said LP Executive Vice President and General Manager of OSB Jimmy Mason. "For more than 50 years, LP has provided industry-leading engineered wood products, which we are committed to vigorously defending in the marketplace. The LP Structural Solutions portfolio, which includes LP WeatherLogic, is an important part of our product strategy and is widely regarded by building professionals for its ability to address industry challenges and support more resilient, durable builds."
