LP Building Solutions unveils LP SmartSide ExpertFinish Trim & Siding Coastal Capsule, a curated color collection designed for coastal aesthetics and proven performance

Stone, Quarry Gray, Summit Blue, and Rapids Blue.

The Coastal Capsule expands the versatility of LP® SmartSide® ExpertFinish® Trim & Siding. This gives builders, remodelers, and homeowners greater creative freedom to design with confidence. Each color is engineered to perform in a wide range of climates, helping resist impacts from hail, moisture, and many other weather conditions that are commonly found in coastal regions.

"Homeowners are increasingly looking for exterior colors that feel fresh and handle their coastal needs," said LP Director of Product Management & Innovation Sarah Caperton. "The LP SmartSide ExpertFinish Coastal Capsule delivers timeless coastal-inspired color options backed by the performance and durability that our products are known for."

The collection is available along the Mid-Atlantic coast from North Carolina to Florida and west across the Gulf Coast, including Texas, Louisiana, Mississippi, and Alabama.

Each color in the capsule is factory finished using the proven LP® SmartSide® ExpertFinish® formula, offering consistent application, strong adhesion, and fade resistance. The product is also backed by LP's industry-leading 5/15/50-year limited warranty, which provides added peace of mind for builders and homeowners.
