Item 1.01 Entry into a Material Definitive Agreement.

Indenture

On September 14, 2016, Louisiana-Pacific Corporation (the “Company”) entered into (1) an indenture (the “Indenture”) between the Company and The Bank of New York Mellon Trust Company, N.A., as trustee (the “Trustee”), providing for the issuance by the Company of \$350 million aggregate principal amount of 4.875% Senior Notes due 2024 (the “Notes”), and (2) a registration rights agreement (the “Registration Rights Agreement”) between the Company and Merrill Lynch, Pierce, Fenner & Smith Incorporated, as representative of the initial purchasers of the Notes, relating to the Notes.

The Company will be required to pay interest on the Notes each March 15 and September 15, beginning March 15, 2017. The Notes will mature on September 15, 2024. The Company may redeem the Notes, in whole or in part, on or after September 15, 2019, at the redemption prices set forth in the Indenture, plus accrued and unpaid interest, if any, to, but not including, the date of redemption, and prior to September 15, 2019, at a redemption price equal to 100% of the principal amount thereof plus a “make-whole” premium set forth in the Indenture, plus accrued and unpaid interest, if any, to, but not including, the date of redemption. The Company may also redeem up to 35% of the aggregate principal amount of the Notes on or prior to September 15, 2019 at a redemption price equal to 104.875% of the principal amount thereof, plus accrued and unpaid interest, if any, to, but not including, the date of redemption with the net cash proceeds of one or more equity offerings. The Company may be required to make an offer to purchase the Notes in certain circumstances described in the Indenture, including in connection with a change in control.

The Indenture contains certain covenants that, among other things, limit our ability to grant liens to secure indebtedness, engage in sale and leaseback transactions and merge or consolidate or sell all or substantially all of our assets. If the Company is subject to a “Change of Control,” as defined in the Indenture, the Company is required to offer to repurchase the Notes at a purchase price equal to 101% of the principal amount thereof plus accrued and unpaid interest, if any, thereon to, but not including, the date of purchase.

The Indenture contains customary events of default, including failure to make required payments on the Notes, failure to comply with certain agreements or covenants contained in the Indenture, failure to pay or acceleration of certain other indebtedness and certain events of bankruptcy and insolvency. An event of default under the Indenture will allow either the Trustee or the holders of at least 25% in aggregate principal amount of the then-outstanding Notes to accelerate, or in certain cases, will automatically cause the acceleration of, the amounts due under the Notes.

The foregoing description of the Indenture is not complete and is qualified in its entirety by reference to the Indenture, which is filed as Exhibit 4.1 to this Current Report on Form 8-K and is incorporated herein by reference.

Registration Rights Agreement

Pursuant to the Registration Rights Agreement, the Company is obligated to use commercially reasonable efforts to file under the Securities Act of 1933 (the “Securities Act”), no later than 180 days after September 14, 2016, a registration statement (the “Exchange Offer Registration Statement”) relating to an exchange offer (the “Exchange Offer”) pursuant to which notes (the “Exchange Notes”) substantially identical to the Notes are exchanged (except that such Exchange Notes will be registered pursuant to an effective registration statement under the Securities Act and will not contain terms with respect to the special interest payments described below). The Company is also obligated to use commercially reasonable efforts to cause the Exchange Offer Registration Statement to become effective no later than 210 days following September 14, 2016. The Company also agreed to use commercially reasonable efforts to commence and complete the Exchange Offer promptly after the Exchange Offer Registration Statement has become effective, hold the offer open for at least 30 days and exchange Exchange Notes for all Notes validly tendered and not withdrawn before the expiration of the Exchange Offer. Under certain circumstances, the Company has agreed to file a shelf registration statement under the Securities Act with respect to

the resale of the Notes. If the Company does not comply with these obligations, subject to limitations set forth in the Registration Rights Agreement, the Company will be required to pay additional interest to holders of transfer restricted Notes in an amount equal to 0.25% per annum on the principal amount of the Notes for the first 90 days following such default in an amount equal to 0.50% per annum on the principal amount of the Notes for the balance of the default period.

The foregoing description of the Registration Rights Agreement is qualified in its entirety by reference to the Registration Rights Agreement, which is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth in Item 1.01 above regarding the Indenture and the Notes is incorporated by reference into this Item 2.03.

“*Consolidated Non-cash Charges*” means, with respect to the Company, for any period, the aggregate depreciation, amortization and other non-cash expenses of the Company and the Restricted Subsidiaries reducing Consolidated Net Income of the Company for such period, determined on a consolidated basis in accordance with GAAP (excluding any such charge which requires an accrual of or a reserve for cash payments for any future period).

“*Consolidated Secured Debt Ratio*” means, as of any date of determination, the ratio of:

- (1) the Consolidated Total Indebtedness of the Company and the Restricted Subsidiaries that is secured by Liens as of the end of the Four Quarter Period ending on or prior to the transaction giving rise to the need to calculate the Consolidated Secured Debt Ratio (the “*Transaction Date*”); to
- (2) the aggregate amount of Consolidated EBITDA of the Company during the Four Quarter Period ending on or prior to the Transaction Date.

In addition to and without limitation of the foregoing, for purposes of this definition, “Consolidated EBITDA” and “Consolidated Total Indebtedness” shall be calculated after giving effect on a pro forma basis for the period of such calculation to:

- (1) the incurrence or repayment of any Indebtedness of the Company or any of the Restricted Subsidiaries (and the application of the proceeds thereof) giving rise to the need to make such calculation and any incurrence or repayment of other Indebtedness (and the application of the proceeds thereof), other than the incurrence or repayment of Indebtedness in the ordinary course of business for working capital purposes, occurring during the Four Quarter Period or at any time subsequent to the last day of the Four Quarter Period and on or prior to the Transaction Date, as if such incurrence or

repayment, as the case may be (and the application of the proceeds thereof), occurred on the first day of the Four Quarter Period; and

- (2) sales of assets or other dispositions or acquisitions of assets occurring during the Four Quarter Period or at any time subsequent to the last day of the Four Quarter Period and on or prior to the Transaction Date as if such sales of assets or dispositions or acquisitions of assets occurred on the first day of the Four Quarter Period.

If the Company or any of the Restricted Subsidiaries directly or indirectly guarantees Indebtedness of a third Person, the preceding sentence shall give effect to the incurrence of such guaranteed Indebtedness as if the Company or any Restricted Subsidiary had directly incurred or otherwise assumed such guaranteed Indebtedness.

Notwithstanding the foregoing, when calculating the Consolidated Secured Debt Ratio for purposes of Section 4.07, at the option of the Company, a binding commitment to lend under a revolving credit facility shall be deemed to be an incurrence of Indebtedness in the full amount of such commitment on the date that such commitment is entered into, regardless of whether the full amount of such revolving credit facility is actually borrowed, and thereafter the amount of such commitment shall be deemed fully borrowed at all times.

(a) *General.* The Notes and the Trustee’s certificate of authentication will be substantially in the form of Exhibit A hereto. The Notes may have notations, legends or endorsements required by law, stock exchange rule or usage. Each Note will be dated the date of its authentication. The Notes shall be in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

The terms and provisions contained in the Notes will constitute, and are hereby expressly made, a part of this Indenture and the Company and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

(b) *Global Notes.* Notes issued in global form will be substantially in the form of Exhibit A hereto (including the Global Note Legend thereon and the “Schedule of Exchanges of Interests in the

Global Note” attached thereto). Notes issued in definitive form will be substantially in the form of Exhibit A hereto (but without the Global Note Legend thereon and without the “Schedule of Exchanges of Interests in the Global Note” attached thereto). Each Global Note will represent such of the outstanding Notes as will be specified therein and each shall provide that it represents the aggregate principal amount of outstanding Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as appropriate, to reflect exchanges and redemptions. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby will be made by the Trustee or the Custodian, at the direction of the Trustee, in accordance with instructions given by the Holder thereof as required by Section 2.06 hereof. The Trustee will, upon receipt of a written order of the Company in the form of an Officer’s Certificate (an “*Authentication Order*”), authenticate Notes for original issue that may be validly issued under this Indenture. The aggregate principal amount of Notes outstanding at any time may not exceed the aggregate principal amount of Notes authorized for issuance by the Company pursuant to one or more Authentication Orders, except as provided in Section 2.07 hereof.

The Trustee may appoint an authenticating agent acceptable to the Company to authenticate Notes. An authenticating agent may authenticate Notes whenever the Trustee may do so. (ii) *Restricted Definitive Notes to Beneficial Interests in Unrestricted Global Notes.* Prior to any registration of transfer or exchange pursuant to this clause (ii), the requesting Holder must present or surrender to the Registrar the Definitive Notes duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Registrar duly executed by such Holder or by its attorney, duly authorized in writing. A Holder of a Restricted Definitive Note may exchange such Note for a beneficial interest in an Unrestricted Global Note or transfer such Restricted Definitive Note to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note only if:

(A) such exchange or transfer is effected pursuant to the Exchange Offer in accordance with the Registration Rights Agreement and the Holder, in the case of an exchange, or the transferee, in the case of a transfer, certifies in the applicable Letter of Transmittal that it is not (i) a Broker-Dealer, (ii) a Person participating in the distribution of the Exchange Notes or (iii) a Person who is an affiliate (as defined in Rule 144) of the Company;

(B) such transfer is effected pursuant to the Shelf Registration Statement in accordance with the Registration Rights Agreement;

(C) such transfer is effected by a Broker-Dealer pursuant to the Exchange Registration Statement in accordance with the Registration Rights Agreement; or

(D) the Registrar receives the following:

(1) if the Holder of such Definitive Notes proposes to exchange such Notes for a beneficial interest in the Unrestricted Global Note, a certificate from such Holder in the form of Exhibit C hereto, including the certifications in item (1)(c) thereof; or

(2) if the Holder of such Definitive Notes proposes to transfer such Notes to a Person who shall take delivery thereof in the form of a beneficial interest in the Unrestricted Global Note, a certificate from such Holder in the form of Exhibit B hereto, including the certifications in item (4) thereof;

and, in each such case set forth in this subparagraph (ii), if the Company so requests or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Company to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

Upon satisfaction of the conditions of any of the subparagraphs in this Section 2.06(d)(ii), the Trustee will cancel the Definitive Notes and increase or cause to be increased the aggregate principal amount of the Unrestricted Global Note.

(iii) *Unrestricted Definitive Notes to Beneficial Interests in Unrestricted Global Notes.* A Holder of an Unrestricted Definitive Note may exchange such Note for a beneficial interest in an Unrestricted Global Note or transfer such Definitive Notes to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note at any time. Upon receipt of a request for such an exchange or transfer, the Trustee will cancel the applicable Unrestricted Definitive Note and increase or cause to be increased the aggregate principal amount of one of the Unrestricted Global Notes. Prior to such registration of transfer or exchange, the requesting Holder must present or surrender to the Registrar the Definitive Notes duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Registrar duly executed by such Holder or by its attorney, duly authorized in writing.

If any such exchange or transfer from a Definitive Note to a beneficial interest is effected pursuant to subparagraphs (ii) or (iii) above at a time when an Unrestricted Global Note has not yet been issued, the Company will issue and, upon receipt of an Authentication Order in accordance with Section 2.02 hereof, the Trustee will authenticate one or more Unrestricted

Global Notes in an aggregate principal amount equal to the principal amount of Definitive Notes so transferred.

(e) *Transfer and Exchange of Definitive Notes for Definitive Notes.* Upon request by a Holder of Definitive Notes and such Holder's compliance with the provisions of this Section 2.06(e), the Registrar will register the transfer or exchange of Definitive Notes. Prior to such registration of transfer or exchange, the requesting Holder must present or surrender to the Registrar the Definitive Notes duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Registrar duly executed by such Holder or by its attorney, duly authorized in writing. In addition, the requesting Holder must provide any additional certifications, documents and information, as applicable, required pursuant to the following provisions of this Section 2.06(e).

(i) *Restricted Definitive Notes to Restricted Definitive Notes.* Any Restricted Definitive Note may be transferred to and registered in the name of Persons who take delivery thereof in the form of a Restricted Definitive Note if the Registrar receives the following:

(A) if the transfer will be made pursuant to Rule 144A, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (1) thereof;

(B) if the transfer will be made pursuant to Rule 903 or Rule 904, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (2) thereof; and

(C) if the transfer will be made pursuant to any other exemption from the registration requirements of the Securities Act, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications, certificates and Opinion of Counsel required by item (3) thereof, if applicable.

(ii) *Restricted Definitive Notes to Unrestricted Definitive Notes.* Any Restricted Definitive Note may be exchanged by the Holder thereof for an Unrestricted Definitive Note or transferred to a Person or Persons who take delivery thereof in the form of an Unrestricted Definitive Note if:

(A) such exchange or transfer is effected pursuant to the Exchange Offer in accordance with the Registration Rights Agreement and the Holder, in the case of an exchange, or the transferee, in the case of a transfer, certifies in the applicable Letter of Transmittal that it is not (i) a Broker-Dealer, (ii) a Person participating in the distribution of the Exchange Notes or (iii) a Person who is an affiliate (as defined in Rule 144) of the Company;

(B) any such transfer is effected pursuant to the Shelf Registration Statement in accordance with the Registration Rights Agreement;

(C) any such transfer is effected by a Broker-Dealer pursuant to the Exchange Registration Statement in accordance with the Registration Rights Agreement; or

(D) the Registrar receives the following:

(1) if the Holder of such Restricted Definitive Notes proposes to exchange such Notes for an Unrestricted Definitive Note, a certificate from such Holder in the form of Exhibit C hereto, including the certifications in item (1)(d) thereof; or

(2) if the Holder of such Restricted Definitive Notes proposes to transfer such Notes to a Person who shall take delivery thereof in the form of an Unrestricted Definitive Note, a certificate from such Holder in the form of Exhibit B hereto, including the certifications in item (4) thereof;

and, in each such case set forth in this subparagraph (D), if the Company so requests, an Opinion of Counsel in form reasonably acceptable to the Company to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

(iii) *Unrestricted Definitive Notes to Unrestricted Definitive Notes.* A Holder of Unrestricted Definitive Notes may transfer such Notes to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note. Upon receipt of a request to register such a transfer, the Registrar shall register the Unrestricted Definitive Notes pursuant to the instructions from the Holder thereof.

(iv) In order to facilitate compliance with the foregoing provisions, if and as requested by the Trustee, the Company shall promptly prepare and deliver to the Trustee a supply of Definitive Notes.

(f) *Exchange Offer.* Upon the occurrence of the Exchange Offer in accordance with the Registration Rights Agreement, the Company will issue and, upon receipt of an Authentication Order in accordance with Section 2.02 hereof, the Trustee will authenticate:

(i) one or more Unrestricted Global Notes in an aggregate principal amount equal to the principal amount of the beneficial interests in the Restricted Global Notes accepted for exchange in the Exchange Offer by Persons that certify in the applicable Letters of Transmittal that (A) they are not Broker-Dealers, (B) they are not participating in a distribution of the Exchange Notes and (C) they are not affiliates (as defined in Rule 144) of the Company; and

(ii) Unrestricted Definitive Notes in an aggregate principal amount equal to the principal amount of the Restricted Definitive Notes accepted for exchange in the Exchange Offer by Persons that certify in the applicable Letters of Transmittal that (A) they are not Broker-Dealers, (B) they are not participating in a distribution of the Exchange Notes and (C) they are not affiliates (as defined in Rule 144) of the Company.

Concurrently with the issuance of such Notes, the Trustee will cause the aggregate principal amount of the applicable Restricted Global Notes to be reduced accordingly, and the Company will execute and the Trustee will authenticate and deliver to the Persons designated by the Holders of Definitive Notes so accepted Unrestricted Definitive Notes in the appropriate principal amount.

(g) *Legends.* The following legends will appear on the face of all Global Notes and Definitive Notes issued under this Indenture unless specifically stated otherwise in the applicable provisions of this Indenture.

(i) Private Placement Legend.

(A) Except as permitted by subparagraph (B) below, each Global Note and each Definitive Note (and all Notes issued in exchange therefor or substitution thereof) shall bear the legend in substantially the following form:

“THE NOTES EVIDENCED HEREBY HAVE NOT BEEN REGISTERED UNDER THE UNITED STATES SECURITIES ACT OF 1933 (THE “SECURITIES ACT”) AND MAY NOT BE OFFERED, SOLD, PLEDGED OR OTHERWISE TRANSFERRED EXCEPT (A) (1) TO A PERSON WHO THE SELLER REASONABLY BELIEVES IS A QUALIFIED INSTITUTIONAL BUYER WITHIN THE MEANING OF RULE 144A UNDER THE SECURITIES ACT PURCHASING FOR ITS OWN ACCOUNT OR FOR THE ACCOUNT OF A QUALIFIED INSTITUTIONAL BUYER IN A TRANSACTION MEETING THE REQUIREMENTS OF RULE 144A, (2) IN AN OFFSHORE TRANSACTION COMPLYING WITH RULE 903 OR RULE 904 OF REGULATION S UNDER THE SECURITIES ACT, (3) PURSUANT TO AN EXEMPTION FROM REGISTRATION UNDER THE SECURITIES ACT PROVIDED BY RULE 144 THEREUNDER (IF AVAILABLE), (4) TO AN INSTITUTIONAL INVESTOR THAT IS AN ACCREDITED INVESTOR WITHIN THE MEANING OF RULE 501 OF REGULATION D UNDER THE SECURITIES ACT IN A TRANSACTION EXEMPT FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT, OR (5) PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT AND (B) IN ACCORDANCE WITH ALL APPLICABLE SECURITIES LAWS OF THE STATES OF THE UNITED STATES AND OTHER JURISDICTIONS.”

(B) Notwithstanding the foregoing, any Global Note or Definitive Note issued pursuant to subparagraphs (b)(iv), (c)(ii), (c)(iii), (d)(ii), (d)(iii), (e)(ii), (e)(iii) or (f) of this Section 2.06 (and all Notes issued in exchange therefor or substitution thereof) will not bear the Private Placement Legend.

(ii) *Global Note Legend.* Each Global Note will bear a legend in substantially the following form:

“THIS GLOBAL NOTE IS HELD BY THE DEPOSITARY (AS DEFINED IN THE INDENTURE GOVERNING THIS NOTE) OR ITS NOMINEE IN CUSTODY FOR THE BENEFIT OF THE BENEFICIAL OWNERS HEREOF, AND IS NOT TRANSFERABLE TO ANY PERSON UNDER ANY CIRCUMSTANCES EXCEPT THAT (1) THE TRUSTEE MAY MAKE SUCH NOTATIONS HEREON AS MAY BE REQUIRED PURSUANT TO SECTION 2.06 OF THE INDENTURE, (2) THIS GLOBAL NOTE MAY BE EXCHANGED IN WHOLE BUT NOT IN PART PURSUANT TO SECTION 2.06(a) OF THE INDENTURE, (3) THIS GLOBAL NOTE MAY BE DELIVERED TO THE TRUSTEE FOR CANCELLATION PURSUANT TO SECTION 2.11 OF THE INDENTURE AND (4) THIS GLOBAL NOTE MAY BE TRANSFERRED TO A SUCCESSOR DEPOSITARY WITH THE PRIOR WRITTEN CONSENT OF LOUISIANA-PACIFIC CORPORATION.

UNLESS AND UNTIL IT IS EXCHANGED IN WHOLE OR IN PART FOR NOTES IN DEFINITIVE FORM, THIS NOTE MAY NOT BE TRANSFERRED EXCEPT AS A WHOLE BY THE DEPOSITARY TO A NOMINEE OF THE DEPOSITARY OR BY A NOMINEE OF THE DEPOSITARY TO THE DEPOSITARY OR ANOTHER NOMINEE OF THE DEPOSITARY OR BY THE DEPOSITARY OR ANY SUCH NOMINEE TO A SUCCESSOR DEPOSITARY OR A NOMINEE OF SUCH SUCCESSOR DEPOSITARY. UNLESS THIS CERTIFICATE IS PRESENTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITARY TRUST COMPANY (55 WATER STREET, NEW YORK, NEW YORK) (“DTC”), TO THE COMPANY OR ITS AGENT FOR REGISTRATION OF TRANSFER, EXCHANGE OR PAYMENT, AND ANY CERTIFICATE ISSUED

IS REGISTERED IN THE NAME OF CEDE & CO. OR SUCH OTHER NAME AS MAY BE REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF DTC (AND ANY PAYMENT IS MADE TO CEDE & CO. OR SUCH OTHER ENTITY AS MAY BE REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF DTC), ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL INASMUCH AS THE REGISTERED OWNER HEREOF, CEDE & CO., HAS AN INTEREST HEREIN.”

By its acceptance of any Note bearing the Global Notes Legend or the Private Placement Legend, each Holder of such Note acknowledges the restrictions on transfer of such Note set forth in this Indenture and agrees that it shall transfer such Note only as provided in this Indenture.

(h) *Cancellation and/or Adjustment of Global Notes.* At such time as all beneficial interests in a particular Global Note have been exchanged for Definitive Notes or a particular Global Note has been redeemed, repurchased or canceled in whole and not in part, each such Global Note will be returned to or retained and canceled by the Trustee in accordance with Section 2.11 hereof. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note or for Definitive Notes, the principal amount of Notes represented by such Global Note will be reduced accordingly and an endorsement will be made on such Global Note by the Trustee or by the Depository at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note will be increased accordingly and an endorsement will be made on such Global Note by the Trustee or by the Depository at the direction of the Trustee to reflect such increase.

(i) General Provisions Relating to Transfers, Exchanges and Global Notes.

(i) To permit registrations of transfers and exchanges, the Company will execute and the Trustee will authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order in accordance with Section 2.02 hereof or at the Registrar’s request.

(ii) No service charge will be made to a Holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.10, 3.06, 4.09 and 9.05 hereof).

(iii) The Registrar will not be required to register the transfer of or exchange of any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(iv) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes will be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(v) Neither the Registrar nor the Company will be required:

(A) to issue, to register the transfer of or to exchange any Notes during a period beginning at the opening of business 15 days before the day of any selection of

Notes for redemption under Section 3.02 hereof and ending at the close of business on the day of selection; or

(B) to register the transfer of or to exchange a Note between a record date and the next succeeding interest payment date.

(vi) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Company may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and premium, if any, and (subject to the record date provisions of the Notes) interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Company shall be affected by notice to the contrary.

(vii) The Trustee will authenticate Global Notes and Definitive Notes in accordance with the provisions of Section 2.02 hereof.

(viii) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by facsimile.

(ix) The registered holder of a Global Note may grant proxies and otherwise authorize any Person, including any Participants or Indirect Participants of the Depositary and Persons that may hold an interest in such Participants or Indirect Participants, to take any action which a Holder is entitled to take under this Indenture or any Note.

(x) Neither the Company nor the Trustee shall have any responsibility or obligation to any beneficial owner of a Global Note, any Participant or Indirect Participant in the Depositary or other Person with respect to the accuracy of the records of the Depositary or its nominee or of any Participant or Indirect Participant or member thereof, with respect to any ownership interest in Global Notes or with respect to the delivery to any Participant or Indirect Participant, member, beneficial owner or other Person (other than the Depositary) of any notice (including any notice of redemption) or the payment of any amount, under or with respect to such Global Notes. All notices and communications to be given to the Holders and all payments to be made to Holders under the Global Notes shall be given or made only to or upon the order of the registered Holders (which shall be the Depositary or its nominee in the case of a Global Note). The rights of beneficial owners in any Global Note shall be exercised only through the Depositary subject to the applicable rules and procedures of the Depositary. The Company and the Trustee may rely conclusively and shall be fully protected in relying upon information furnished by the Depositary with respect to its members, Participants, Indirect Participants and any beneficial owners. Nothing herein shall prevent the Company, any Agent or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depositary or impair, as between the Depositary and the Participants and Indirect Participants of the Depositary, the operation of customary practices governing the exercise of the rights of a Holder of any Note. The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Global Note (including any transfers between or among Participants, Indirect Participants, members or beneficial owners in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by, the terms of this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

Section 2.07 Replacement Notes.

If any mutilated Note is surrendered to the Trustee or the Company and the Trustee and the Company receive evidence to their satisfaction of the destruction, loss or theft of any Note, the Company will issue and the Trustee, upon receipt of an Authentication Order, will authenticate a replacement Note if the Trustee's requirements are met. If required by the Trustee or the Company, an indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee and the Company to protect the Company, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Note is replaced. The Company may charge for its expenses in replacing a Note.

Every replacement Note is an additional obligation of the Company and will be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

Notwithstanding the foregoing provisions of this Section 2.07, in case any mutilated, destroyed, lost or stolen Note has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new Note, pay such Note.

The provisions of this Section 2.07 shall be exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes.

Section 2.08 Outstanding Notes.

The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09 hereof, a Note does not cease to be outstanding because the Company or an Affiliate of the Company holds the Note.

If a Note is replaced pursuant to Section 2.07 hereof, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser.

If the principal amount of any Note is considered paid under Section 4.01 hereof, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent (other than the Company or a Subsidiary of the Company) holds, on a redemption date or maturity date, money sufficient to pay Notes payable on that date, then on and after that date such Notes will be deemed to be no longer outstanding and will cease to accrue interest.

Section 2.09 Treasury Notes.

In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Company or any Guarantor, or by any Person directly or indirectly controlling or controlled by or under direct or indirect common control with the Company or any Guarantor, will be considered as though not outstanding, except that for the purposes of determining whether the Trustee will be protected in relying on any such direction, waiver or consent, only Notes that the Trustee knows are so owned will be so disregarded. Notwithstanding the foregoing, Notes that are to be acquired by the Company, a Guarantor or any other Person pursuant to an exchange offer, tender offer or other agreement shall not be deemed to be owned by such entity until legal title to such Notes passes to such entity.

Section 2.10 *Temporary Notes.*

Until certificates representing Notes are ready for delivery, the Company may prepare and the Trustee, upon receipt of an Authentication Order, will authenticate temporary Notes. Temporary Notes will be substantially in the form of certificated Notes but may have variations that the Company considers appropriate for temporary Notes and as may be reasonably acceptable to the Trustee. Without unreasonable delay, the Company will prepare and the Trustee will authenticate definitive Notes in exchange for temporary Notes.

Holders of temporary Notes will be entitled to all of the benefits of this Indenture.

Section 2.11 *Cancellation.*

The Company at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent will forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else will cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and will dispose of canceled Notes in accordance with its customary procedures (subject to the record retention requirements of the Exchange Act). Certification of the disposition of all canceled Notes will be delivered to the Company. The Company may not issue new Notes to replace Notes that it has paid or that have been delivered to the Trustee for cancellation.

Section 2.12 *Defaulted Interest.*

If the Company defaults in a payment of interest on the Notes, it will pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes. The Company will notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment. The Company will fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date may be less than 10 days prior to the related payment date for such defaulted interest. At least 15 days before the special record date, the Company (or, upon the written request of the Company, the Trustee in the name and at the expense of the Company) will send or cause to be sent to Holders a notice that states the special record date, the related payment date and the amount of such interest to be paid.

Section 2.13 *CUSIP or ISIN Numbers*

The Company in issuing the Notes may use "CUSIP" or "ISIN" numbers (if then generally in use), and, if so, the Trustee shall use "CUSIP" or "ISIN" numbers in notices of redemption as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company will promptly notify the Trustee in writing of any change in the "CUSIP" or "ISIN" numbers.

ARTICLE 3
REDEMPTION

Section 3.01 *Notices to Trustee.*

If the Company elects to redeem Notes pursuant to the optional redemption provisions of Section 3.07 hereof, it must furnish to the Trustee, at least 45 days (or shorter period as shall be acceptable to the Trustee) before a redemption date, an Officer's Certificate setting forth:

- (i) the clause of this Indenture pursuant to which the redemption shall occur;
- (ii) the redemption date;
- (iii) the principal amount of Notes to be redeemed; and
- (iv) the redemption price, if then ascertainable.

and further certifying that all conditions provided for in this Indenture to such redemption have been complied with.

Section 3.02 Selection of Notes to Be Redeemed.

Any redemption of the Notes or notice of redemption may, at the Company's discretion, be subject to one or more conditions precedent, including completion of an Equity Offering or other corporate transaction. If any redemption is subject to satisfaction of one or more conditions precedent, any notice in respect of such redemption shall state that, in the Company's discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Company in its sole discretion), or such redemption may not occur and such notice may be modified or rescinded in the event that any or all such conditions shall not have been satisfied (or waived by the Company in its sole discretion) by the redemption date, or by the redemption date so delayed. In addition, such notice of redemption may be extended if such conditions precedent have not been met by providing notice to the Holders.

In the event that less than all of the Notes are to be redeemed at any time, selection of the Notes for redemption will be made by the Trustee in compliance with the requirements of the principal national securities exchange, if any, on which the Notes are listed or, if the Notes are not then listed on a national securities exchange, on a pro rata basis, by lot, in accordance with the applicable procedures of DTC or by such method as the Trustee shall deem fair and appropriate; provided, however, that:

- (i) no Notes of a principal amount of \$2,000 or less shall be redeemed in part; and
- (ii) if a partial redemption is to be made, selection of the Notes or portions thereof for redemption shall be made by the Trustee only on a pro rata basis or on as nearly a pro rata basis as is practicable (subject to the applicable procedures of DTC), unless the securities exchange, if any, on which the Notes are listed requires a different method.

Notice of an optional redemption shall be mailed (or to the extent permitted or required by applicable DTC procedures or regulations with respect to Global Notes, sent electronically) at least 30 but not more than 60 days before the redemption date to each Holder to be redeemed at its registered address. If any Note is to be redeemed in part only, the notice of redemption that relates to such Note shall state the portion of the principal amount thereof to be redeemed. A new Note in a principal amount equal to the unredeemed portion thereof will be issued in the name of the Holder thereof upon cancellation of the original Note. On and after the redemption date, interest will cease to accrue on Notes or portions thereof called for redemption as long as the Company has deposited with the Paying Agent funds in satisfaction of the applicable redemption price plus accrued and unpaid interest, if any, pursuant to this Indenture.

Section 3.03 *Notice of Redemption.*

At least 30 days but not more than 60 days before a redemption date, the Company will mail or cause to be mailed, by first class mail (or to the extent permitted or required by applicable DTC procedures or regulations with respect to Global Notes, send electronically), a notice of redemption to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be mailed or sent, as applicable, more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture pursuant to Articles 8 or 11 hereof, as applicable; *provided* that notices of redemption shall be given to the Depository in accordance with the procedures therefor.

The notice will identify the Notes to be redeemed and will state:

- (i) the redemption date;
- (ii) the redemption price, or if not then ascertainable, the manner of calculation thereof;
- (iii) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the redemption date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note;
- (iv) the name and address of the Paying Agent;
- (v) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- (vi) that, unless the Company defaults in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the redemption date;
- (vii) the paragraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed; and
- (viii) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Notes.

At the Company's request, the Trustee will give the notice of redemption in the Company's name and at its expense; *provided, however*, that the Company has delivered to the Trustee, at least 45 days prior to the redemption date (or such shorter period as is acceptable to the Trustee), an Officer's Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph. A notice of redemption mailed in the manner herein provided shall be conclusively presumed to have been duly given whether or not a Holder receives such notice. In any case, failure to give such notice by mail or electronically, as applicable, or any defect in the notice to the Holder of any Note shall not affect the validity of the proceeding for the redemption of any other Note.

Section 3.04 *Effect of Notice of Redemption.*

Once notice of redemption is mailed in accordance with Section 3.03 hereof, Notes called for redemption become irrevocably due and payable on the redemption date at the redemption price. A notice of redemption may not be conditional.

Section 3.05 Deposit of Redemption Price.

On or before 10:00 a.m. (New York City time) on each redemption date, the Company will deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption price (including the accrued interest and Special Interest, if any, payable in connection with such redemption) for all Notes to be redeemed on that date. The Trustee or the Paying Agent will promptly return to the Company any money deposited with the Trustee or the Paying Agent by the Company in excess of the amounts necessary to pay the redemption price (including the accrued interest and Special Interest, if any, payable in connection with such redemption) for all Notes to be redeemed.

If the Company complies with the provisions of the preceding paragraph, on and after the redemption date, interest will cease to accrue on the Notes or the portions of Notes called for redemption. If any Note called for redemption is not so paid upon surrender for redemption because of the failure of the Company to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes.

Section 3.06 Notes Redeemed in Part.

Upon surrender of a Note that is redeemed in part, the Company will issue and, upon receipt of an Authentication Order, the Trustee will authenticate for the Holder at the expense of the Company a new Note equal in principal amount to the unredeemed portion of the Note surrendered.

Section 3.07 Optional Redemption.

(a) At any time, or from time to time, on or prior to September 15, 2019, the Company may, at its option, use all or any portion of the net cash proceeds of one or more Equity Offerings to redeem up to 35% of the aggregate principal amount of the Notes issued at a redemption price equal to 104.875% of the principal amount thereof plus accrued and unpaid interest, if any, to, but not including, the date of redemption (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date); provided that at least 65% of the aggregate principal amount of Notes issued remains outstanding immediately after any such redemption. In order to effect the foregoing redemption with the net cash proceeds of any Equity Offering, the Company shall make such redemption not more than 180 days after the consummation of any such Equity Offering.

(b) At any time prior to September 15, 2019, the Company may, at its option on one or more occasions, redeem all or any portion of the Notes upon not less than 30 nor more than 60 days' notice at a redemption price equal to 100% of the principal amount of Notes to be redeemed plus the Applicable Premium as of, and accrued and unpaid interest, if any, thereon to, but not including, the date of redemption (subject to the rights of Holders on the relevant record date to receive interest due on the relevant Interest Payment Date). The Company shall give the Trustee notice of the redemption price for any redemption pursuant to this clause (b) promptly after the calculation thereof and the Trustee shall have no responsibility for any such calculation.

(c) Except pursuant to the preceding paragraphs, the Notes will not be redeemable at the Company's option prior to September 15, 2019. The Company is not, however, prohibited under this Indenture from acquiring Notes by means other than redemption, whether pursuant to open-market

transactions, tender offers or otherwise, so long as such transaction does not otherwise violate the terms of this Indenture.

(d) The Company may redeem the Notes in whole at any time or in part from time to time on and after September 15, 2019, upon not less than 30 nor more than 60 days' notice, at the following redemption prices (expressed as percentages of the principal amount of the Notes to be redeemed) if redeemed during the twelve-month period commencing on September 15 of the years set forth below, plus, in each case, accrued and unpaid interest, if any, to, but not including, the date of redemption (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date):

<u>Year</u>	<u>Percentage</u>
2019	103.656%
2020	102.438%
2021	101.219%
2022 and thereafter	100.000%

(e) Any redemption pursuant to this Section 3.07 shall be subject to the provisions of Sections 3.01 through 3.06 hereof.

Section 3.08 *Mandatory Redemption.*

The Company is not required to make mandatory redemption or sinking fund payments with respect to the Notes.

ARTICLE 4 COVENANTS

Section 4.01 *Payment of Notes.*

The Company will pay or cause to be paid the principal of, premium, if any, and interest on, the Notes on the dates and in the manner provided in the Notes. Principal, premium, if any, and interest and Special Interest, if any, will be considered paid on the date due if the Paying Agent, if other than the Company or a Subsidiary thereof, holds as of 10:00 a.m. Eastern Time on the due date money deposited by the Company in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest, if any, then due. The Company will pay all Special Interest, if any, in the amounts set forth in the Registration Rights Agreement and on the same dates, to the same Persons and in the same manner as ordinary interest on the Notes. The Company shall give the Trustee prompt notice of any Registration Default (as defined in the Registration Rights Agreement) under the Registration Rights Agreement, such notice to be contained in an Officer's Certificate and to specify date from which Special Interest shall accrue and shall set forth the amount of Special Interest to be paid on each \$1,000 in aggregate principal amount of Notes. The Company shall also give the Trustee prompt notice of any increase in the amount of Special Interest and of any cure of any Registration Default, such notice to be also contained in an Officer's Certificate.

The Company will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at a rate that is 1% higher than the then applicable interest rate on the Notes to the extent lawful; it will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest and Special Interest, if any (without regard to any applicable grace period), at the same rate to the extent lawful. Whenever in this Indenture there is mentioned, in any context, the payment of interest on, or in respect of, the Notes, such mention shall be

deemed to include mention of the payment of Special Interest to the extent that Special Interest would be payable in respect thereof pursuant to the provisions of the Registration Rights Agreement and express mention of the payment of Special Interest in any provisions hereof shall not be construed as excluding Special Interest in those provisions hereof where such express mention is not made.

Section 4.02 *Maintenance of Office or Agency.*

The Company will maintain an office or agency (which may be an office of the Trustee or an affiliate of the Trustee, Registrar or co-registrar) where Notes may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Company in respect of the Notes and this Indenture may be served. The Company will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company fails to maintain any such required office or agency or fails to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

The Company may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations. The Company will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Company hereby designates the Corporate Trust Office of the Trustee as one such office or agency of the Company in accordance with Section 2.03 hereof.

Section 4.03 *Reports.*

(a) So long as the Notes are outstanding, the Company will file with the Commission, and provide to the Trustee and the holders of the Notes, the annual reports and the information, documents and other reports (or copies of such portions of any of the foregoing as the Commission may by rules and regulations prescribe) that are specified in Sections 13 and 15(d) of the Exchange Act within the time periods required by law (including any grace period provided by Rule 12b-25 under the Exchange Act); provided, however, that if the Company is not subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act, then the time period to file and provide such reports, documents and information shall be that which is applicable to a non-accelerated filer; provided, further, that availability of the foregoing materials on the Commission's EDGAR service (or any successor service thereto) shall be deemed to satisfy the Company's delivery obligations under this provision. In the event that the Company is not permitted to file such reports, documents and information with the Commission pursuant to the Exchange Act, the Company will nevertheless provide such Exchange Act information to the Trustee and the holders of the Notes as if the Company were subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act within the time periods required by law (including any grace period provided by Rule 12b-25 under the Exchange Act) with respect to a non-accelerated filer.

(b) Notwithstanding anything herein to the contrary, the Company will not be deemed to have failed to comply with any of its obligations under this Section 4.03 for purposes of Section 6.01(iii) until 90 days after the date the relevant report hereunder is due.

(c) The Trustee shall not be charged with constructive knowledge of the contents of the reports described in this Section 4.03 and delivered to it.

Section 4.04 *Compliance Certificate.*

(a) The Company and any Guarantor (to the extent that such Guarantor is so required under the TIA) shall deliver to the Trustee, within 120 days after the end of each fiscal year, an Officer's Certificate stating, as to each such Officer signing such certificate, that to his or her knowledge the Company is not in default in the performance or observance of any of the terms, provisions and conditions of this Indenture (or, if a Default or Event of Default has occurred, describing all such Defaults or Events of Default of which he or she may have knowledge and what action the Company is taking or proposes to take with respect thereto) and that to his or her knowledge no event has occurred and remains in existence by reason of which payments on account of the principal of, premium, if any, on, or interest or Special Interest, if any, on the Notes is prohibited or if such event has occurred, a description of the event and what action the Company is taking or proposes to take with respect thereto.

(b) So long as any of the Notes are outstanding, the Company will deliver to the Trustee, within 30 days after any Officer becoming aware of any Default or Event of Default, an Officer's Certificate specifying such Default or Event of Default and what action the Company is taking or proposes to take with respect thereto.

Section 4.05 *Taxes.*

The Company will pay, and will cause each of its Subsidiaries to pay, prior to delinquency, all material taxes, assessments, and governmental levies except such as are contested in good faith and by appropriate proceedings or where the failure to effect such payment is not adverse in any material respect to the Holders of the Notes.

Section 4.06 *Stay, Extension and Usury Laws.*

Each of the Company and any Guarantor covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and each of the Company and any Guarantor (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law has been enacted.

Section 4.07 *Limitation on Liens.*

(a) The Company will not, and will not cause or permit any of the Domestic Subsidiaries to, directly or indirectly, create, incur, assume or permit or suffer to exist any Liens of any kind against or upon any property or assets of the Company or any of the Domestic Subsidiaries, whether now owned or hereafter acquired, or any proceeds therefrom, or assign or otherwise convey any right to receive income or profits therefrom, in each case to secure Indebtedness, unless:

(i) in the case of Liens securing Indebtedness that is expressly subordinate or junior in right of payment to the Notes or a Subsidiary Guarantee, the Notes or such Subsidiary Guarantee is secured by a Lien on such property, assets or proceeds that is senior in priority to such Liens; and

(ii) in all other cases, the Notes are equally and ratably secured; except for:

(A) Liens existing as of the Issue Date to the extent and in the manner such Liens are in effect on the Issue Date;

(B) Liens securing the Notes or any Subsidiary Guarantee;

(C) Liens in favor of the Company or any Subsidiary;

(D) Liens securing Refinancing Indebtedness which is incurred to Refinance any Indebtedness (including, without limitation, Acquired Indebtedness) which has been secured by a Lien permitted under the Indenture; provided, however, that such Liens:

(1) are no less favorable to Holders and are not more favorable to the lienholders in all material respects, taken as a whole, with respect to such Liens than the Liens in respect of the Indebtedness being Refinanced; and

(2) do not extend to or cover any property or assets of the Company or any of its Domestic Subsidiaries not securing the Indebtedness so Refinanced; and

(E) Permitted Liens.

(b) Any Lien created for the benefit of the Holders pursuant to Section 4.07(a) will be automatically and unconditionally released and discharged upon the release and discharge of the initial Lien.

Section 4.08 *Corporate Existence.*

Except for transactions permitted by Article 5 hereof and the consequences of such transactions, the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect:

(a) its corporate existence, and the corporate, partnership or other existence of each of its Restricted Subsidiaries, in accordance with the respective organizational documents (as the same may be amended from time to time) of the Company or any such Restricted Subsidiary; and

(b) the rights (charter and statutory), licenses and franchises of the Company and its Restricted Subsidiaries; provided, however, that the Company shall not be required to preserve any such right, license or franchise, or the corporate, partnership or other existence of any of its Restricted Subsidiaries, if the Board of Directors of the Company shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Company and its Restricted Subsidiaries, taken as a whole, and that the loss thereof is not adverse in any material respect to the Holders of the Notes.

Section 4.09 *Change of Control.*

(a) Upon the occurrence of a Change of Control, each Holder will have the right to require that the Company purchase all or a portion of such Holder's Notes pursuant to the offer described below (the "*Change of Control Offer*"), at a purchase price equal to 101% of the principal amount thereof plus accrued and unpaid interest, if any, thereon to, but not including, the date of purchase. Notwithstanding the occurrence of a Change of Control, the Company will not be obligated to repurchase the Notes under this Section 4.09 if it has exercised its right to redeem all the Notes under the terms of Section 3.07.

(b) Within 30 days following the date upon which the Change of Control occurs, a notice will be sent, by first class mail (or to the extent permitted or required by applicable DTC procedures or regulations with respect to Global Notes, sent electronically), to each Holder, with a copy to the Trustee,

which notice shall govern the terms of the Change of Control Offer. Such notice will state, among other things, the purchase date, which must be no earlier than 30 days nor later than 60 days from the date such notice is mailed, other than as may be required by law (the “*Change of Control Payment Date*”). Holders electing to have a note purchased pursuant to a Change of Control Offer will be required to surrender the note, with the form entitled “Option of Holder to Elect Purchase” on the reverse of the Note completed, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day prior to the Change of Control Payment Date.

(c) On the Change of Control Payment Date, the Company will, to the extent lawful:

(i) accept for payment all Notes or portions of Notes properly tendered and not validly withdrawn pursuant to the Change of Control Offer;

(ii) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes validly tendered and not validly withdrawn; and

(iii) deliver or cause to be delivered to the Trustee the Notes properly accepted for payment together with an Officer’s Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Company.

The Paying Agent will promptly mail (but in any case not later than five days after the Change of Control Payment Date) to each Holder of Notes accepted for payment the Change of Control Payment for such Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any. The Company will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

(d) The Company will not be required to make a Change of Control Offer upon a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Company and purchases all Notes validly tendered and not validly withdrawn under such Change of Control Offer. Notwithstanding anything to the contrary contained in this Indenture, a Change of Control Offer by the Company or a third party may be made in advance of a Change of Control and conditioned upon the consummation of such Change of Control, if a definitive agreement is in place for the Change of Control at the time the Change of Control Offer is made. If Holders of not less than 90% in aggregate principal amount of the outstanding Notes validly tender and do not validly withdraw such Notes in a Change of Control Offer and the Company, or any third party making the Change of Control Offer in lieu of the Company as described above, purchases all of the Notes validly tendered and not validly withdrawn by such Holders, the Company will have the right, upon not less than 30 nor more than 60 days’ prior notice, given not more than 15 days following such purchase pursuant to the Change of Control Offer described above, to redeem all Notes that remain outstanding following such purchase at a price equal to 101% of the principal amount thereof plus accrued but unpaid interest, if any, to, but not including, the date of redemption set forth in such notice, subject to the right of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date.

(e) Neither the Board of Directors of the Company nor the Trustee may waive the covenant set forth in this Section 4.09.

(f) The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are

applicable in connection with the repurchase of the Notes as a result of a Change in Control. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.09, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Section 4.09 by virtue of such compliance.

Section 4.10 *Issuance of Subsidiary Guarantees.*

(a) If, on or after the Issue Date, the Company forms or acquires any Domestic Subsidiary (other than (y) an Acquired Subsidiary for so long as it is not a Wholly Owned Domestic Subsidiary or (z) an Excluded Subsidiary) that incurs or guarantees any Indebtedness under the Credit Agreement or other Indebtedness in an aggregate principal amount greater than \$100.0 million (other than Indebtedness owing to the Company or a Subsidiary), or if, on or after the Issue Date, any Domestic Subsidiary (other than (y) an Acquired Subsidiary for so long as it is not a Wholly Owned Domestic Subsidiary or (z) an Excluded Subsidiary) that is not a Guarantor incurs or guarantees (a “*Guarantee*”) any Indebtedness of the Company or a Guarantor under the Credit Agreement or other Indebtedness in an aggregate principal amount greater than \$100.0 million (other than Indebtedness owing to the Company or a Subsidiary) (“*Guaranteed Indebtedness*”), then the Company shall cause such Domestic Subsidiary or Domestic Subsidiary that is not a Guarantor, as the case may be, to:

(i) execute and deliver to the Trustee a supplemental indenture in the form attached as Exhibit F hereto pursuant to which such Domestic Subsidiary or Domestic Subsidiary that is not a Guarantor, as the case may be, shall unconditionally guarantee all of the Company’s obligations under the Notes and the Indenture on the terms set forth in the Indenture; and

(ii) execute and deliver to the Trustee an opinion of counsel (which may contain customary exceptions) that such supplemental indenture has been duly authorized, executed and delivered by such Domestic Subsidiary or Domestic Subsidiary that is not a Guarantor, as the case may be, and constitutes a legal, valid, binding and enforceable obligation of such Domestic Subsidiary or Domestic Subsidiary that is not a Guarantor, as the case may be;

provided that this Section 4.10(a) will not be applicable to any Indebtedness of any Domestic Subsidiary to, or Guarantees of any Domestic Subsidiary given to, a bank or trust company or any commercial banking institution that is a member of the U.S. Federal Reserve System (or any branch, Subsidiary or affiliate thereof), in connection with the operation of cash management programs established for its benefit or that of any other Domestic Subsidiary (“*Cash Management Programs*”) or to Indebtedness of the type described in clause (8) or (10) of the definition thereof (or Guarantees of such Indebtedness).

After delivering such supplemental indenture, such Domestic Subsidiary or Domestic Subsidiary that was not a Guarantor, as the case may be, shall be a Guarantor for all purposes of this Indenture. The Company may cause any other Domestic Subsidiary of the Company to issue a Subsidiary Guarantee and become a Guarantor.

If the Guaranteed Indebtedness is pari passu with the Notes, then the Guarantee of such Guaranteed Indebtedness shall be pari passu with the Subsidiary Guarantee. If the Guaranteed Indebtedness is subordinated to the Notes, then the Guarantee of such Guaranteed Indebtedness shall be subordinated to the Subsidiary Guarantee at least to the extent that the Guaranteed Indebtedness is subordinated to the Notes.

(b) Notwithstanding the foregoing, a Subsidiary Guarantee of the Notes provided by a Guarantor will be released without any action required on the part of the Trustee or any Holder:

(i) if the obligations of such Guarantor in respect of incurred or Guaranteed Indebtedness under the Credit Agreement or any other Indebtedness that gave rise to the obligation to provide such Subsidiary Guarantee are released, unless such Guarantor has any Indebtedness outstanding under the Credit Agreement or any other Indebtedness in an aggregate principal amount greater than \$100.0 million, other than Indebtedness with respect to Cash Management Programs or Indebtedness of the type described in clause (8) or (10) of the definition thereof;

(ii) if (a) all of the Capital Stock of, or all or substantially all of the assets of, such Guarantor is sold or otherwise disposed of (including by way of merger or consolidation) to a Person other than the Company or any of its Domestic Subsidiaries or (b) such Guarantor ceases to be a Domestic Subsidiary;

(iii) upon Legal Defeasance or Covenant Defeasance or satisfaction and discharge of the Indenture as provided below under Articles 8 and 11 hereof, as applicable; or

(iv) upon the Company's request if the Fair Market Value of the assets of the applicable Guarantor together with the Fair Market Value of the assets of other Guarantors whose Subsidiary Guarantee was released in the same calendar year in reliance on this clause (iv), do not exceed 10.0% of the Consolidated Net Tangible Assets of the Company and its Restricted Subsidiaries (in each case as determined in accordance with GAAP) as of the end of the most recent fiscal quarter prior to the date of determination for which financial information is available (subject to cumulative carryover for amounts not used in any prior calendar year).

(c) At the Company's request, the Trustee, upon receipt of satisfactory documentation, will execute and deliver any instrument evidencing such release. A Guarantor may also be released from its obligation under its Subsidiary Guarantee in connection with a permitted amendment pursuant to Section 9.02.

(d) Each Holder and owner of a beneficial interest in the Notes, by its acquisition of the Notes, is deemed to consent to the terms of the release of Subsidiary Guarantees described in Section 4.10(b) without the need for any further consent, except for the release of all or substantially all of the Guarantors from Subsidiary Guarantees to the extent such release would require the consent of each of the noteholders under Section 9.02(vii). Each Holder and owner of a beneficial interest in the Notes, by its acquisition of the notes, consents to and agrees that this deemed consent is intended to be the consent required by Section 316(b) of the TIA with respect to the release of any Subsidiary Guarantee and that the Company and the Trustee may release Guarantors in accordance with this Indenture in reliance on this deemed consent and without any further consent from them. Each Holder and owner of a beneficial interest in the Notes, by its acquisition of the Notes, waives any and all claims against the Trustee and the Company in connection with the release of any Guarantor from the Indenture. Additionally, each Holder and owner of a beneficial interest in the Notes, by its acquisition of the Notes, consents to and agrees that any certification by the Company to the Trustee that any release of any Guarantors from their Subsidiary Guarantees does not constitute a release of all or substantially all of the Subsidiary Guarantees requiring the consent of each of the Holders under Section 9.02(vii) shall be binding on each Holder and owner of a beneficial interest in the Notes.

Section 4.11 *Limitation on Sale and Leaseback Transactions.*

The Company will not, and will not permit any Domestic Subsidiary to, engage in any Sale and Leaseback Transaction unless:

(a) the Company or such Domestic Subsidiary would be entitled to incur Indebtedness secured by a Lien pursuant to the covenant described under Section 4.07 equal in amount to the net proceeds of the property sold or transferred or to be sold or to be transferred pursuant to such Sale and Leaseback Transaction and secured by a Lien on the property to be leased, without equally and ratably securing the notes outstanding under the Indenture as provided under said section; or

(b) the Company or a Domestic Subsidiary shall apply, within 360 days before or after the effective date of such sale or transfer, an amount equal to such net proceeds to (i) the acquisition, construction, development or improvement of properties, facilities or equipment which are, or upon such acquisition, construction, development or improvement will be, a Principal Facility or Principal Facilities or a part thereof or (ii) the redemption of Notes issued under this Indenture or to the repayment or redemption of Funded Debt of the Company or of any Subsidiary or Indebtedness of the Company or of any Subsidiary that was Funded Debt at the time it was created, or in part to such acquisition, construction, development or improvement and in part to such redemption and/or repayment. In lieu of applying an amount equal to such net proceeds to such repayment or redemption, the Company may, within 360 days after such sale or transfer, deliver to the appropriate indenture trustee or other applicable Person Notes issued under the Indenture or Funded Debt for cancellation and thereby reduce the amount to be applied to the redemption of such Notes or Funded Debt by an amount equivalent to the aggregate principal amount of Notes or Funded Debt.

ARTICLE 5 SUCCESSORS

Section 5.01 *Merger, Consolidation and Sale of Assets.*

(a) The Company will not, in a single transaction or series of related transactions, consolidate or merge with or into any Person, or sell, assign, transfer, lease, convey or otherwise dispose of (or cause or permit any Subsidiary to sell, assign, transfer, lease, convey or otherwise dispose of) all or substantially all of the Company's assets (determined on a consolidated basis for the Company and the Subsidiaries) whether as an entirety or substantially as an entirety to any Person unless:

(i) either:

(A) the Company shall be the surviving or continuing corporation; or

(B) the Person (if other than the Company) formed by such consolidation or into which the Company is merged or the Person which acquires by sale, assignment, transfer, lease, conveyance or other disposition the assets of the Company and the Subsidiaries substantially as an entirety (the "*Surviving Entity*"), (x) shall be validly existing under the laws of the United States or any State thereof or the District of Columbia and (y) shall expressly assume, by supplemental indenture (in form and substance reasonably satisfactory to the Trustee), executed and delivered to the Trustee, the due and punctual payment of the principal of, and premium, if any, and interest on all of the notes and the performance of every covenant of the notes and the Indenture on the part of the Company to be performed or observed;

(ii) immediately before and immediately after giving effect to such transaction and the assumption contemplated by Section 5.01(a)(i)(B)(y) above (including, without limitation, giving effect to any Lien granted or to be released in connection with or in respect of the transaction), no Default or Event of Default shall have occurred and be continuing; and

(iii) the Company or the Surviving Entity shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, merger, sale, assignment, transfer, lease, conveyance or other disposition and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture comply with the applicable provisions of this Indenture and that all conditions precedent in this Indenture relating to such transaction have been satisfied.

(b) For purposes of Section 5.01(a), the transfer (by lease, assignment, sale or otherwise, in a single transaction or series of transactions) of all or substantially all of the assets of one or more Subsidiaries, the Capital Stock of which constitutes all or substantially all of the assets of the Company, shall be deemed to be the transfer of all or substantially all of the assets of the Company.

(c) Upon any consolidation or merger or any conveyance, lease or transfer of all or substantially all of the assets of the Company in accordance with the foregoing in which the Company is not the continuing corporation, the surviving entity formed by such consolidation or into which the Company is merged or to which such conveyance, lease or transfer is made shall succeed to, and be substituted for, and may exercise every right and power of, the Company under the Indenture and the notes with the same effect as if such surviving entity had been named as such.

(d) No Guarantor (other than any Guarantor whose Subsidiary Guarantee is to be released in accordance with the terms of the Subsidiary Guarantee and Indenture) will, and the Company will not cause or permit any Guarantor to, consolidate with or merge with or into any Person other than the Company or any other Guarantor unless:

(i) the entity formed by or surviving any such consolidation or merger (if other than the Guarantor) is organized and existing under the laws of the United States or any State thereof or the District of Columbia;

(ii) such entity shall expressly assume by supplemental indenture (in form and substance satisfactory to the Trustee), executed and delivered to the Trustee, the performance of every covenant of the Notes and this Indenture on the part of such Guarantor to be performed or observed;

(iii) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing; and

(iv) the Company shall have delivered to the Trustee an Officer's Certificate and Opinion of Counsel, each stating that such consolidation or merger and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture comply with the applicable provisions of this Indenture and that all conditions precedent in this Indenture relating to such transaction have been satisfied.

ARTICLE 6 DEFAULTS AND REMEDIES

Section 6.01 *Events of Default.*

Each of the following is an "*Event of Default*":

(i) the failure to pay interest and Special Interest, if any, on any Notes when the same becomes due and payable and such default continues for a period of 30 days;

(ii) the failure to pay the principal on any Notes when such principal becomes due and payable, at maturity, upon redemption or otherwise (including the failure to make a payment to purchase Notes tendered pursuant to a Change of Control Offer);

(iii) a default by the Company or any Subsidiary in the observance or performance of any other covenant or agreement contained in this Indenture which default continues for a period of 60 days after the Company receives written notice specifying the default from the Trustee or the Holders of at least 25.0% of the outstanding principal amount of the Notes (except in the case of a default with respect to the covenant described under Section 5.01, which will constitute an Event of Default with such notice requirement but without such passage of time requirement);

(iv) a default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness of the Company or of any Subsidiary (or the payment of which is guaranteed by the Company or any Subsidiary), whether such Indebtedness now exists or is created after the Issue Date, which default (A) is caused by a failure to pay principal of such Indebtedness after any applicable grace period provided in such Indebtedness on the date of such default (a "payment default") or (B) results in the acceleration of such Indebtedness prior to its express maturity (and such acceleration is not rescinded, or such Indebtedness is not repaid, within 30 days) and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a payment default or the maturity of which has been so accelerated, exceeds \$100.0 million or more at any time;

(v) one or more judgments in an aggregate amount in excess of \$100.0 million not covered by adequate insurance (other than self-insurance) shall have been rendered against the Company or any of the Subsidiaries and such judgments remain undischarged, unpaid or unstayed for a period of 60 days after such judgment or judgments become final and nonappealable;

(vi) the Company or any Guarantor:

(A) commences a voluntary case,

(B) consents to the entry of an order for relief against it in an involuntary case,

(C) consents to the appointment of a custodian of it or for all or substantially all of its property,

(D) makes a general assignment for the benefit of its creditors, or

(E) generally is not paying its debts as they become due;

(vii) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(A) is for relief against the Company or any Guarantor in an involuntary case;

(B) appoints a custodian of the Company or any Guarantor; or

(C) orders the liquidation of the Company or any Guarantor;

and the order or decree remains unstayed and in effect for 60 consecutive days; or

(viii) any Subsidiary Guarantee of a Significant Subsidiary of the Company ceases to be in full force and effect or any Subsidiary Guarantee of such a Significant Subsidiary is declared to be null and void and unenforceable or any Subsidiary Guarantee of such a Significant Subsidiary is found to be invalid or any Guarantor which is a Significant Subsidiary denies its liability under its Subsidiary Guarantee (other than by reason of release of such Guarantor in accordance with the terms of this Indenture).

Section 6.02 *Acceleration.*

If an Event of Default (other than an Event of Default specified in Section 6.01(vi) or 6.01(vii)) shall have occurred and be continuing and the Trustee has received written notice of such Event of Default at the Corporate Trust Office of the Trustee, the Trustee or the Holders of at least 25.0% in principal amount of outstanding Notes may declare the principal of, premium, if any, and accrued interest on all the Notes to be due and payable by notice in writing to the Company (and to the Trustee if given by the Holders) specifying the respective Event of Default and that it is a "notice of acceleration." Upon any such declaration, the Notes shall become due and payable immediately. If an Event of Default specified in Section 6.01(vi) or 6.01(vii) hereof occurs and is continuing, then all unpaid principal of, premium, if any, and accrued and unpaid interest on all of the outstanding Notes shall ipso facto become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder.

At any time after a declaration of acceleration or automatic acceleration with respect to the Notes as described in the preceding paragraph, the Holders of a majority in principal amount of the Notes may rescind and cancel such declaration or automatic acceleration and its consequences:

(a) if the rescission would not conflict with any judgment or decree;

(b) if all existing Events of Default have been cured or waived except nonpayment of principal or interest that has become due solely because of the acceleration;

(c) to the extent the payment of such interest is lawful, interest on overdue installments of interest and overdue principal, which has become due otherwise than by such declaration of acceleration, has been paid;

(d) if the Company has paid the Trustee its reasonable compensation and reimbursed the Trustee for its reasonable expenses, disbursements and advances; and

(e) in the event of the cure or waiver of an Event of Default of the type described in Sections 6.01(vi) and 6.01(vii) hereof, the Trustee has received an Officer's Certificate and an Opinion of Counsel to the effect that such Event of Default has been cured or waived.

No such rescission shall affect any subsequent Default or Event of Default or impair any right consequent thereto.

Section 6.03 *Other Remedies.*

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal of, premium, if any, on or interest or Special Interest, if any, on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Section 6.04 Waiver of Past Defaults.

The Holders of a majority in principal amount of the then outstanding Notes may waive any existing Default or Event of Default (including in connection with an offer to purchase the Notes), and its consequences, except a Default in the payment of the principal of, premium, if any, or interest on any Notes. Upon any such waiver, such Default or Event of Default shall cease to exist, and any Default or Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture.

Section 6.05 Control by Majority.

Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture, that the Trustee determines may be unduly prejudicial to the rights of other Holders of Notes, or that may involve the Trustee in personal liability.

Section 6.06 Limitation on Suits.

No Holder of a Note may pursue any remedy with respect to this Indenture or the Notes unless:

- (i) such Holder has previously given the Trustee written notice that an Event of Default is continuing;
- (ii) Holders of at least 25.0% in aggregate principal amount of the then outstanding Notes make a written request to the Trustee to pursue the remedy;
- (iii) such Holder or Holders offer and, if requested, provide to the Trustee security or indemnity satisfactory to the Trustee against any loss, liability or expense;
- (iv) the Trustee does not comply with such request within 60 days after receipt of the request and the offer of security or indemnity; and
- (v) during such 60-day period, Holders of a majority in aggregate principal amount of the then outstanding Notes do not give the Trustee a direction inconsistent with such request.

A Holder of a Note may not use this Indenture to prejudice the rights of another Holder of a Note or to obtain a preference or priority over another Holder of a Note.

Section 6.07 Rights of Holders of Notes to Receive Payment.

Notwithstanding any other provision of this Indenture, the right of any Holder of a Note to receive payment of principal of, premium, if any, on, or interest or Special Interest, if any, on the Note, on or after the respective due dates expressed or provided for in the Notes (including in connection with Notes accepted for payment pursuant to an offer to purchase made pursuant to Section 4.09 hereof), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

Section 6.08 Collection Suit by Trustee.

If an Event of Default specified in Section 6.01(i) or (ii) hereof occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Company for the whole amount of principal of, premium, if any, on, and interest and Special Interest, if any, remaining unpaid on the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel and all other amounts due the Trustee under Section 7.07.

Section 6.09 Trustee May File Proofs of Claim.

The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel and all other amounts due the Trustee under Section 7.07) and the Holders of the Notes allowed in any judicial proceedings relative to the Company (or any other obligor upon the Notes), its creditors or its property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.10 Priorities.

If the Trustee collects any money pursuant to this Article 6, it shall pay out the money in the following order:

First: to the Trustee, its agents and counsel for amounts due under Section 7.07 hereof, including payment of all compensation, expenses and liabilities incurred, and all advances made, by the Trustee and the costs and expenses of collection;

Second: to Holders of Notes for amounts due and unpaid on the Notes for principal, premium, if any, and interest and Special Interest, if any, ratably, without preference or priority of

any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest and Special Interest, if any, respectively; and

Third: to the Company or to such other party as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders of Notes pursuant to this Section 6.10.

Section 6.11 *Undertaking for Costs.*

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder of a Note pursuant to Section 6.07 hereof, or a suit by Holders of more than 10% in aggregate principal amount of the then outstanding Notes.

ARTICLE 7 TRUSTEE

Section 7.01 *Duties of Trustee.*

(a) If an Event of Default has occurred and is continuing, the Trustee will exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(i) the duties of the Trustee will be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee shall be under a duty to examine the certificates and opinions specifically required to be furnished to it under this Indenture to determine whether or not they conform on their face to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts or conclusions stated therein).

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(ii) the Trustee will not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) the Trustee will not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05 hereof.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b), and (c) of this Section 7.01.

(e) No provision of this Indenture will require the Trustee to expend or risk its own funds or incur any liability. The Trustee will be under no obligation to exercise any of its rights or powers under this Indenture at the request or direction of any Holders, unless such Holder has offered to the Trustee security and indemnity satisfactory to it against any loss, liability or expense.

(f) The Trustee will not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

Section 7.02 *Rights of Trustee.*

(a) The Trustee may conclusively rely upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel or both. The Trustee will not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel. The Trustee may consult with counsel and the written advice of such counsel or any Opinion of Counsel will be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and will not be responsible for the misconduct or negligence of any agent appointed with due care.

(d) The Trustee will not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company will be sufficient if signed by an Officer of the Company.

(f) The rights, privileges, protections and benefits given to the Trustee, including, without limitation, its rights to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and to each agent, custodian and other Persons employed to act hereunder.

(g) The Trustee may request that the Company deliver an Officer's Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officer's Certificate may be signed by any person authorized to sign an Officer's Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

(h) The Trustee shall not be charged with knowledge of any Default or any Event of Default unless written notice of such Default or Event of Default shall have been given to a Responsible Officer of the Trustee by the Company or any other obligor on the Notes, or by any Holder of the Notes.

(i) The permissive right of the Trustee to take or refrain from taking any actions enumerated in this Indenture shall not be construed as a duty.

Section 7.03 Individual Rights of Trustee.

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Company or any Affiliate of the Company with the same rights it would have if it were not Trustee. Any Agent may do the same with like rights and duties. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days, apply to the Commission for permission to continue as Trustee (if this Indenture has been qualified under the TIA) or resign. The Trustee is also subject to Sections 7.10 and 7.11 hereof.

Section 7.04 Trustee's Disclaimer.

The Trustee will not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Company's use of the proceeds from the Notes or any money paid to the Company or upon the Company's direction under any provision of this Indenture, it will not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it will not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

Section 7.05 Notice of Defaults.

If a Default or Event of Default occurs and is continuing and if it is known to the Trustee, the Trustee will mail to Holders of Notes a notice of the Default or Event of Default within 90 days after it occurs. Except in the case of a Default or Event of Default in payment of principal of, premium, if any, on, or interest or Special Interest, if any, on, any Note, the Trustee may withhold the notice if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of the Holders of the Notes.

Section 7.06 Reports by Trustee to Holders of the Notes.

(a) Within 60 days after each September 15 beginning with the September 15 following the date of this Indenture, and for so long as Notes remain outstanding, the Trustee will mail to the Holders of the Notes a brief report dated as of such reporting date that complies with TIA §313(a) (but if no event described in TIA §313(a) has occurred within the twelve months preceding the reporting date, no report need be transmitted). The Trustee also will comply with TIA §313(b)(2). The Trustee will also transmit by mail all reports as required by TIA §313(c).

(b) A copy of each report at the time of its mailing to the Holders of Notes will be mailed by the Trustee to the Company and filed by the Trustee with the Commission and each stock exchange on which the Notes are listed in accordance with TIA §313(d). The Company will promptly notify the Trustee when the Notes are listed on any stock exchange.

Section 7.07 Compensation and Indemnity.

(a) The Company will pay to the Trustee from time to time reasonable compensation for its acceptance of this Indenture and services hereunder. The Trustee's compensation will not be limited by any law on compensation of a trustee of an express trust. The Company will reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses will include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

(b) The Company and the Guarantors, jointly and severally, will indemnify the Trustee, including its officers, directors, stockholders, employees and agents, against any and all losses, liabilities or expenses incurred by it arising out of or in connection with the acceptance or administration of its powers and duties under this Indenture, including the costs and expenses of enforcing this Indenture against the Company and the Guarantors (including this Section 7.07) and defending itself against any claim (whether asserted by the Company, the Guarantors, any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, except to the extent any such loss, liability or expense may be attributable to its negligence or willful misconduct. The Trustee will notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Company will not relieve the Company or any of the Guarantors of their obligations hereunder. The Company or such Guarantor will defend the claim and the Trustee will cooperate in the defense. The Trustee may have separate counsel and the Company will pay the reasonable fees and expenses of one such counsel. Neither the Company nor any Guarantor need pay for any settlement made without its consent, which consent will not be unreasonably withheld.

(c) The obligations of the Company and the Guarantors under this Section 7.07 will survive the satisfaction and discharge of this Indenture and the resignation or removal of the Trustee.

(d) To secure the Company's and the Guarantors' payment obligations in this Section 7.07, the Trustee will have a Lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal of, premium, if any, on, or interest or Special Interest, if any, on, particular Notes. Such Lien will survive the satisfaction and discharge of this Indenture.

(e) Without prejudice to any other rights available to the Trustee under applicable law, when the Trustee incurs expenses or renders services after an Event of Default specified in clause (vi) or (vii) of Section 6.01 hereof occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

Section 7.08 *Replacement of Trustee.*

(a) A resignation or removal of the Trustee and appointment of a successor Trustee will become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08.

(b) The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Company. The Holders of a majority in aggregate principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Company in writing. The Company may remove the Trustee if:

- (i) the Trustee fails to comply with Section 7.10 hereof;
- (ii) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;

(iii) a custodian or public officer takes charge of the Trustee or its property; or

(iv) the Trustee becomes incapable of acting.

(c) If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Company will promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in aggregate principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Company.

(d) If a successor Trustee does not take office within 30 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Company, or the Holders of at least 10% in aggregate principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(e) If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.10 hereof, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(f) A successor Trustee will deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon, the resignation or removal of the retiring Trustee will become effective, and the successor Trustee will have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee will mail a notice of its succession to Holders. The retiring Trustee will promptly transfer all property held by it as Trustee to the successor Trustee; *provided* all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.07 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Company's obligations under Section 7.07 hereof will continue for the benefit of the retiring Trustee.

Section 7.09 *Successor Trustee by Merger, etc.*

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act will be the successor Trustee.

Section 7.10 *Eligibility; Disqualification.*

There will at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trust power, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus of at least \$100.0 million as set forth in its most recent published annual report of condition.

This Indenture will always have a Trustee who satisfies the requirements of TIA §310(a)(1), (2) and (5). The Trustee is subject to TIA §310(b).

Section 7.11 *Preferential Collection of Claims Against Company.*

The Trustee is subject to TIA §311(a), excluding any creditor relationship listed in TIA §311(b). A Trustee who has resigned or been removed shall be subject to TIA §311(a) to the extent indicated therein.

Section 7.12 *Limitation of Liability.*

In no event shall the Trustee, in its capacity as such, Paying Agent or Registrar or in any other capacity hereunder, be liable under or in connection with this Indenture for indirect, special, incidental, punitive or consequential losses or damages of any kind whatsoever, including but not limited to lost profits, whether or not foreseeable, even if the Trustee has been advised of the possibility thereof and regardless of the form of action in which such damages are sought. The Trustee shall not be responsible or liable for any failure or delay in the performance of its obligations under this Indenture arising out of or caused, directly or indirectly, by circumstances beyond its reasonable control, including without limitation, acts of God; earthquake; fire; flood; terrorism; wars and other military disturbances; sabotage; epidemics; riots; interruptions; loss or malfunctions of utilities, computer (hardware or software) or communication services; accidents; labor disputes; and acts of civil or military authority and governmental action. The provisions of this Section 7.12 shall survive the satisfaction and discharge or the termination for any reason of this Indenture and the resignation or removal of the Trustee.

ARTICLE 8
LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 8.01 Option to Effect Legal Defeasance or Covenant Defeasance.

The Company may at any time, at its option, as set forth in an Officer's Certificate, elect to have either Section 8.02 or 8.03 hereof be applied to all outstanding Notes upon compliance with the conditions set forth below in this Article 8.

Section 8.02 Legal Defeasance and Discharge.

Upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.02, the Company and each Guarantor will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be deemed to have been discharged from their obligations with respect to all outstanding Notes (including the Subsidiary Guarantees) on the date the conditions set forth below are satisfied (hereinafter, "*Legal Defeasance*"). For this purpose, Legal Defeasance means that the Company will be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes (including the Subsidiary Guarantees), which will thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 hereof and the other Sections of this Indenture referred to in clauses (i) and (ii) below, and to have satisfied all their other obligations under such Notes, the Subsidiary Guarantees and this Indenture (and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging the same), except for the following provisions which will survive until otherwise terminated or discharged hereunder:

- (i) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, or interest or premium and Special Interest, if any, on such Notes when such payments are due from the trust referred to in Section 8.04 hereof;
- (ii) the Company's obligations with respect to the Notes concerning issuing temporary notes, registration, transfer and exchange of Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment of the Notes and provisions that money for security payments are to be held in trust;
- (iii) the rights, powers, trusts, duties and immunities of the Trustee hereunder including, without limitation, Section 7.07 hereof, and the Company's obligations in connection therewith; and
- (iv) this Article 8.

Subject to compliance with this Article 8, the Company may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03 hereof.

In the event Legal Defeasance occurs, the events described under Section 6.01 (other than those relating to payments on the Notes as provided above) will no longer constitute Events of Default with respect to the Notes.

Section 8.03 *Covenant Defeasance.*

Upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, the Company and each Guarantor will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be released from each of its obligations under the covenants contained in Sections 4.03 and 4.04 hereof (to the extent such covenants are not expressly required by the TIA) and Sections 4.05, 4.07, 4.08, 4.10 and 4.11 hereof with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 hereof are satisfied (hereinafter, "*Covenant Defeasance*"), and the Notes will thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but will continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes will not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes and Subsidiary Guarantees, the Company may omit to comply with and will have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply will not constitute a Default or an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Notes and Subsidiary Guarantees will be unaffected thereby. In addition, upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, Sections 6.01(iii) (to the extent relating to the covenants that are subject to the Covenant Defeasance), (iv), (v) and (viii) hereof will not constitute Events of Default.

Section 8.04 *Conditions to Legal or Covenant Defeasance.*

In order to exercise either Legal Defeasance or Covenant Defeasance under either Section 8.02 or 8.03 hereof:

(i) the Company must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders of the Notes, cash in U.S. dollars sufficient, non-callable Government Securities, the scheduled payments of principal and interest on which will be sufficient, or a combination thereof sufficient, without consideration of any reinvestment of interest, in the written opinion of a nationally recognized firm of independent public accountants selected by the Company (which opinion need only be given if Government Securities have been so deposited), to pay the principal of, or interest and premium, if any, on the outstanding Notes to the Stated Maturity or to the applicable redemption date, as the case may be, and the Company must specify whether the Notes are being defeased to maturity or to a particular redemption date;

(ii) in the case of an election under Section 8.01 hereof applicable to Section 8.02 hereof, the Company must deliver to the Trustee an opinion of U.S. tax counsel reasonably acceptable to the Trustee confirming that:

(A) the Company has received from, or there has been published by, the U.S. Internal Revenue Service a ruling; or

(B) since the date of this Indenture, there has been a change in the applicable U.S. federal income tax law,

in either case to the effect that, and based thereon such opinion of counsel shall confirm that, the Holders of the outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(iii) in the case of an election under Section 8.01 hereof applicable to Section 8.03 hereof, the Company must deliver to the Trustee an opinion of U.S. tax counsel reasonably acceptable to the Trustee confirming that the Holders of the outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(iv) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under any material agreement or instrument to which the Company or any of its Subsidiaries is a party or by which the Company or any of its Subsidiaries is bound (other than this Indenture and any agreements or instruments governing any other Indebtedness being defeased, discharged or replaced, in each case, resulting from the borrowing of funds to be applied to such deposit and any similar deposit relating to other Indebtedness and any grant of any Lien to secure such borrowing);

(v) the Company must deliver to the Trustee an Officer's Certificate stating that the deposit was not made by the Company with the intent of preferring the Holders of Notes over the other creditors of the Company with the intent of defeating, hindering, delaying or defrauding any creditors of the Company or others; and

(vi) the Company must deliver to the Trustee an Officer's Certificate and an Opinion of Counsel, each to the effect that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

In the event of Legal Defeasance or Covenant Defeasance, the Subsidiary Guarantees in effect at such time shall automatically terminate.

Section 8.05 Deposited Money and Government Securities to be Held in Trust; Other Miscellaneous Provisions.

Subject to Section 8.06 hereof, all money and non-callable Government Securities (including the proceeds thereof) deposited with the Trustee pursuant to Section 8.04 hereof in respect of the outstanding Notes will be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, if any, and interest and Special Interest, if any, but such money need not be segregated from other funds except to the extent required by law.

The Company will pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or non-callable Government Securities deposited pursuant to Section 8.04

hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Notwithstanding anything in this Article 8 to the contrary, the Trustee will deliver or pay to the Company from time to time upon the request of the Company any money or non-callable Government Securities held by it as provided in Section 8.04 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(i) hereof (which opinion need only be given if Government Securities have been deposited under Section 8.04)), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.06 Repayment to Company.

Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of, premium, if any, on, or interest or Special Interest, if any, on any Note and remaining unclaimed for two years after such principal, premium, if any, or interest or Special Interest, if any, has become due and payable shall be paid to the Company on its request or (if then held by the Company) will be discharged from such trust; and the Holder of such Note will thereafter be permitted to look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, will thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once, in the New York Times and The Wall Street Journal (national edition), notice that such money remains unclaimed and that, after a date specified therein, which will not be less than 30 days nor more than 60 after the date of such notification or publication, any unclaimed balance of such money then remaining will be repaid to the Company.

Section 8.07 Reinstatement.

If the Trustee or Paying Agent is unable to apply any U.S. dollars or non-callable Government Securities in accordance with Section 8.05 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company's obligations under this Indenture and the Notes and the Subsidiary Guarantees will be revived and reinstated as though no deposit had occurred pursuant to Section 8.04 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.05 hereof; *provided, however*, that, if the Company makes any payment of principal of, premium, if any, on, or interest or Special Interest, if any, on any Note following the reinstatement of its obligations, the Company will be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent; *provided, further*, that neither the failure of the Company or any of its Subsidiaries to have complied with such revived and reinstated obligations during the period (for purposes of this Section 8.07, the "*Suspension Period*") subsequent to such deposit pursuant to Section 8.04 and prior to such reinstatement and revival, nor compliance by the Company or any of its Subsidiaries with any contractual obligation entered into in compliance with this Indenture during the Suspension Period, will constitute a Default, Event of Default or breach of any kind under this Indenture, the Notes or any Subsidiary Guarantees.

ARTICLE 9
AMENDMENT, SUPPLEMENT AND WAIVER

Section 9.01 Without Consent of Holders of Notes.

Notwithstanding Section 9.02 of this Indenture, without the consent of any Holder of Notes, the Company, the Guarantors, if any, and the Trustee may amend or supplement this Indenture, the Notes or the Subsidiary Guarantees, if any:

- (i) to make any change that would provide any additional rights or benefits to the Holders or that does not adversely affect in any material respect the legal rights under this Indenture of any such Holder;
- (ii) to add covenants for the benefit of the Holders or to surrender any right or power conferred upon the Company or any Guarantor;
- (iii) providing for the assumption by a successor Person of the obligations of the Company or any Guarantor under this Indenture;
- (iv) to comply with the covenant described under Section 5.01;
- (v) adding any Guarantor or a corporate co-issuer under this Indenture; provided that any such amendment and/or Guarantee need only be executed by the new Guarantor or corporate co-issuer, as applicable, and the Company;
- (vi) to comply with requirements of the Commission in order to effect or maintain the qualification of this Indenture under the Trust Indenture Act;
- (vii) to provide for the issuance of Additional Notes in accordance with the limitations set forth in this Indenture;
- (viii) to evidence and provide for the acceptance and appointment under this Indenture of a successor Trustee thereunder pursuant to the requirements thereof;
- (ix) to conform the text of this Indenture or the Notes to any provision of the "Description of Notes" section of the Offering Memorandum to the extent that such provision in the "Description of Notes" section of the Offering Memorandum was intended to be a substantially verbatim recitation of a provision of this Indenture or the Notes;
- (x) to comply with the Applicable Procedures;
- (xi) to make any amendment to the provisions of this Indenture relating to the transfer and legending of Notes as permitted by this Indenture, including, without limitation, to facilitate the issuance and administration of the Notes; and
- (xii) to mortgage, pledge, hypothecate or grant any other Lien in favor of the Trustee for the benefit of the Holders, as security for the payment and performance of all or any portion of the Notes, in any property or assets.

Upon the request of the Company and upon receipt by the Trustee of the documents described in Sections 7.02, 9.06, 12.04 and 12.05 hereof, the Trustee will join with the Company and the Guarantors, if any, in the execution of any amendment or supplement authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee will not be obligated to enter into such amendment or supplement that adversely affects its own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but will not be obligated to, enter into such amendment or supplement.

Section 9.02 *With Consent of Holders of Notes.*

Except as provided below in this Section 9.02, the Company, the Guarantors and the Trustee may amend or supplement this Indenture (including, without limitation, Section 4.09 hereof), the Notes or the Subsidiary Guarantees, if any, with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, Additional Notes, if any) voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes), and, subject to Sections 6.04 and 6.07 hereof, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium, if any, on, or interest or Special Interest, if any, on, the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of this Indenture or the Notes or the Subsidiary Guarantees may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, Additional Notes, if any) voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes).

Upon the request of the Company and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders of Notes as aforesaid, and upon receipt by the Trustee of the documents described in Sections 7.02, 9.06, 12.04 and 12.05 hereof, the Trustee will join with the Company and the Guarantors in the execution of such amendment or supplement unless such amendment or supplement adversely affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but will not be obligated to, enter into such amendment or supplement.

It is not necessary for the consent of the Holders of Notes under this Section 9.02 to approve the particular form of any proposed amendment, supplement or waiver, but it is sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Company will mail (or to the extent permitted or required by applicable DTC procedures or regulations with respect to Global Notes, send electronically) to the Holders of Notes affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Company to mail such notice, or any defect therein, will not, however, in any way impair or affect the validity of any such amendment or supplement or waiver. However, without the consent of each Holder affected, an amendment, supplement or waiver under this Section 9.02 may not (with respect to any Notes held by a non-consenting Holder):

- (i) reduce the amount of Notes whose Holders must consent to an amendment, supplement or waiver;
- (ii) reduce the rate of or extend the time for payment of interest, including defaulted interest, on any Notes;
- (iii) reduce the principal of or change or have the effect of changing the fixed maturity of any Notes, or change the date on which any Notes may be subject to redemption, or reduce the redemption price therefor;
- (iv) make any Notes payable in money other than that stated in the Notes;
- (v) at any time after a Change of Control has occurred, amend, change or modify the obligation of the Company to make and consummate a Change of Control Offer in relation to

such Change of Control in accordance with Section 4.09 hereof, including amending, changing or modifying any definition relating thereto;

(vi) make any change in provisions of this Indenture protecting the right of each Holder of a Note to receive payment of principal of, premium, if any, and interest on such Note on or after the due date thereof or to bring suit to enforce such payment, or permitting Holders of a majority in principal amount of the then outstanding Notes to waive Defaults or Events of Default (other than Defaults or Events of Default with respect to the payment of principal of or interest on the Notes); or

(vii) release all or substantially all of the Guarantors from any of their obligations under the Subsidiary Guarantee or this Indenture other than in accordance with the terms of this Indenture.

Section 9.03 *Compliance with Trust Indenture Act.*

Every amendment or supplement to this Indenture or the Notes will be set forth in an amended or supplemental indenture that complies with the TIA as then in effect.

Section 9.04 *Revocation and Effect of Consents.*

Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, except to the extent that the consent is by its express terms irrevocable, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

Section 9.05 *Notation on or Exchange of Notes.*

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Company in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note will not affect the validity and effect of such amendment, supplement or waiver.

Section 9.06 *Trustee to Sign Amendments, etc.*

The Trustee will sign any amended or supplemental indenture authorized pursuant to this Article 9 if the amendment or supplement does not adversely affect the rights, duties or immunities of the Trustee. In executing any amended or supplemental indenture, the Trustee will be entitled to receive and (subject to Section 7.01 hereof) will be fully protected in relying upon, in addition to the documents required by Section 12.04 hereof, an Officer's Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture and that such supplemental indenture constitutes the legal, valid and binding obligation of the Company and, to the extent applicable, the Guarantors (subject to customary exceptions).

ARTICLE 10
SUBSIDIARY GUARANTEES

Section 10.01 *Guarantee.*

(a) Subject to this Article 10, each party to become a Guarantor hereby, will jointly and severally, unconditionally Guarantee to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Company hereunder or thereunder, that:

(i) the principal of, premium, if any, on, and interest and Special Interest, if any, on the Notes will be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of, premium, if any, on, and interest and Special Interest, if any, on, the Notes, if lawful, and all other obligations of the Company to the Holders or the Trustee hereunder or thereunder will be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and

(ii) in case of any extension of time of payment or performance or renewal of any Notes or any of such other obligations, that same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise.

Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors will be jointly and severally obligated to pay or perform or cause the payment or performance of the same immediately. Each Guarantor agrees that this is a Guarantee of payment and not a Guarantee of collection.

(b) The Guarantors hereby agree that their obligations hereunder are unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any provisions hereof or thereof, the recovery of any judgment against the Company, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a Guarantor. Each Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Company, any right to require a proceeding first against the Company, protest, notice and all demands whatsoever and covenant that this Subsidiary Guarantee will not be discharged except by complete performance of the obligations contained in the Notes and this Indenture.

(c) If any Holder or the Trustee is required by any court or otherwise to return to the Company, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to either the Company or the Guarantors, any amount paid by either to the Trustee or such Holder, this Subsidiary Guarantee, to the extent theretofore discharged, will be reinstated in full force and effect.

(d) Each Guarantor agrees that it will not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (1) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 hereof for the purposes of this Subsidiary Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (2) in the event of any declaration of acceleration of such obligations as provided in Article 6 hereof, such obligations (whether or not due and payable) will forthwith become

due and payable by the Guarantors for the purpose of this Subsidiary Guarantee. The Guarantors will have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Subsidiary Guarantee.

Section 10.02 Limitation on Guarantor Liability.

Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Subsidiary Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Subsidiary Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of such Guarantor will be limited to the maximum amount that will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article 10, result in the obligations of such Guarantor under its Subsidiary Guarantee not constituting a fraudulent transfer or conveyance.

Section 10.03 Execution and Delivery of Subsidiary Guarantee.

To evidence its Subsidiary Guarantee set forth in Section 10.01 hereof, each Guarantor hereby agrees that a notation of such Subsidiary Guarantee substantially in the form attached as Exhibit E hereto will be endorsed by an Officer of such Guarantor on each Note authenticated and delivered by the Trustee and that this Indenture will be executed on behalf of such Guarantor by one of its Officers.

Each Guarantor hereby agrees that its Subsidiary Guarantee set forth in Section 10.01 hereof will remain in full force and effect notwithstanding any failure to endorse on each Note a notation of such Subsidiary Guarantee.

If an Officer whose signature is on this Indenture or on the Subsidiary Guarantee no longer holds that office at the time the Trustee authenticates the Note on which a Subsidiary Guarantee is endorsed, the Subsidiary Guarantee will be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, will constitute due delivery of the Subsidiary Guarantee set forth in this Indenture on behalf of the Guarantors.

In the event that the Company or any of its Restricted Subsidiaries creates or acquires any Domestic Subsidiary after the date of this Indenture, if required by Section 4.10 hereof, the Company will cause such Domestic Subsidiary to comply with the provisions of Section 4.10 hereof and this Article 10, to the extent applicable.

ARTICLE 11
SATISFACTION AND DISCHARGE

Section 11.01 Satisfaction and Discharge.

This Indenture will be satisfied and discharged and will cease to be of further effect as to all Notes issued hereunder, when:

- (i) either:

(A) all Notes that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust, have been delivered to the Trustee for cancellation; or

(B) all Notes that have not been delivered to the Trustee for cancellation, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust, have become due and payable or will become due and payable within one year by reason of the giving of a notice of redemption or otherwise or are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption in the name, and at the expense of the Company and the Company has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars sufficient, non-callable Government Securities, the scheduled payments of principal of and interest on which will be sufficient, or a combination thereof, sufficient without consideration of any reinvestment of interest, in the written opinion of a nationally recognized firm of independent public accountants delivered to the Trustee (which opinion need only be given if Government Securities have been so deposited), to pay and discharge the entire indebtedness on such Notes for principal, premium, if any, and accrued interest to the date of maturity or redemption;

(ii) the Company has paid or caused to be paid all sums payable by it under this Indenture, including amounts owing to the Trustee;

(iii) the Company has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel stating that all conditions precedent under this Indenture relating to the satisfaction and discharge of this Indenture have been complied with;

(iv) in the case of a redemption, the Company has delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes at redemption; and

(v) no Event of Default shall occur as a result of such deposit (other than an Event of Default resulting from the borrowing of funds to be applied to such deposit and any similar deposit relating to other Indebtedness and the grant of any Lien to secure such borrowing) and such deposit will not result in a breach or violation of, or constitute a default under, any material instrument to which the Company is a party or by which the Company is bound (other than the Indenture and the agreements or instruments governing any other Indebtedness being defeased, discharged or replaced).

In addition, the Company must deliver an Officer's Certificate and an Opinion of Counsel to the Trustee to the effect that all conditions precedent to satisfaction and discharge have been satisfied.

Notwithstanding the satisfaction and discharge of this Indenture, if money has been deposited with the Trustee pursuant to subclause (B) of clause (i) of this Section 11.01, the provisions of Sections 11.02 and 8.06 hereof will survive. In addition, the provisions of Section 7.07 hereof, shall survive the satisfaction and discharge of this Indenture.

Section 11.02 *Application of Trust Money; Other Miscellaneous Provisions.*

Subject to the provisions of Section 8.06 hereof, all money deposited with the Trustee pursuant to Section 11.01 hereof shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal, premium, if any, and interest and Special Interest, if any, for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent is unable to apply any money or Government Securities in accordance with Section 11.01 hereof by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's and any Guarantor's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 11.01 hereof; *provided* that if the Company has made any payment of principal of, premium, if any, on, or interest or Special Interest, if any, on, any Notes because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent; provided, further, that neither the failure of the Company or any of its Subsidiaries to have complied with such revived and reinstated obligations during the period (for purposes of this Section 8.07, the "*Suspension Period*") subsequent to such deposit pursuant to Section 11.01 hereof and prior to such reinstatement and revival, nor compliance by the Company or any of its Subsidiaries with any contractual obligation entered into in compliance with this Indenture during the Suspension Period, will constitute a Default, Event of Default or breach of any kind under this Indenture, the Notes or any Subsidiary Guarantees.

The Company will pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or non-callable Government Securities deposited pursuant to Section 11.01 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Notwithstanding anything in this Article 11 to the contrary, the Trustee will deliver or pay to the Company from time to time upon the request of the Company any money or non-callable Government Securities held by it as provided in Section 11.01 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 11.01 hereof (which opinion need only be given if Government Securities have been deposited under Section 11.01)), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent satisfaction and discharge of this Indenture.

ARTICLE 12

The Company, any Guarantor or the Trustee, by notice to the others, may designate additional or different addresses for subsequent notices or communications.

The Trustee agrees to accept and act upon instructions or directions pursuant to this Indenture sent by e-mail, telecopier or other similar electronic methods; *provided*, however, that (a) the party providing such electronic instructions or directions, subsequent to the transmission thereof, shall, if requested by the Trustee, provide originally executed instructions or directions to the Trustee in a timely manner and (b) such originally executed instructions or directions shall be signed by an authorized representative of the party providing such instructions or directions. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such instructions or directions notwithstanding such instructions or directions conflict or are inconsistent with a subsequent written instruction or direction or if the subsequent written instruction or direction is never received. The party providing instructions or directions by e-mail, telecopier or other similar electronic methods, as aforesaid, agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized instructions, and the risk of interception and misuse by third parties.

All notices and communications (other than those sent to Holders) will be deemed to have been duly given: at the time delivered by hand, if personally delivered; five Business Days after being deposited in the mail, postage prepaid, if mailed; when receipt acknowledged, if transmitted by email, telecopier or other similar electronic methods; and the next Business Day after timely delivery to the courier, if sent by overnight air courier guaranteeing next day delivery.

Any notice or communication to a Holder will be mailed by first class mail, or by overnight air courier guaranteeing next day delivery to its address shown on the register kept by the Registrar (or to the extent permitted or required by applicable DTC procedures or regulations with respect to Global Notes, sent electronically); *provided* that notices to the Depositary shall be given in accordance with its procedures therefor. Any notice or communication will also be so mailed to any Person described in TIA §313(c), to the extent required by the TIA (or to the extent permitted or required by applicable DTC procedures or regulations with respect to Global Notes, sent electronically). Failure to mail or send, as applicable, notice or communication to a Holder or any defect in it will not affect its sufficiency with respect to other Holders.

In any case where notice to Holders is given by mail, neither the failure to mail such notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. Where this Indenture provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

If a notice or communication is mailed in the manner provided above within the time prescribed, it is duly given, whether or not the addressee receives it.

If the Company mails a notice or communication to Holders, it will mail a copy to the Trustee and each Agent at the same time.

Section 12.03 *Communication by Holders of Notes with Other Holders of Notes.*

Any Holder may communicate pursuant to TIA §312(b) with other Holders with respect to their rights under this Indenture or the Notes. The Company, the Trustee, the Registrar and anyone else shall have the protection of TIA §312(c).

Section 12.04 *Certificate and Opinion as to Conditions Precedent.*

Upon any request or application by the Company to the Trustee to take any action under this Indenture (other than in connection with the initial issuance of the Notes hereunder), the Company shall furnish to the Trustee:

(i) an Officer's Certificate in form reasonably satisfactory to the Trustee (which must include the statements set forth in Section 12.05 hereof) stating that, in the opinion of the signers, all conditions precedent and covenants, if any, provided for in this Indenture relating to the proposed action have been satisfied; and

(ii) an Opinion of Counsel in form reasonably satisfactory to the Trustee (which must include the statements set forth in Section 12.05 hereof) stating that, in the opinion of such counsel, all such conditions precedent and covenants have been satisfied.

Section 12.05 Statements Required in Certificate or Opinion.

Each certificate or opinion with respect to compliance with a condition or covenant provided for in this Indenture (other than a certificate provided pursuant to TIA §314(a)(4)) must comply with the provisions of TIA §314(e) and must include:

- (i) a statement that the Person making such certificate or opinion has read such covenant or condition;
- (ii) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate or opinion are based;
- (iii) a statement that, in the opinion of such Person, he or she has made such examination or investigation as is necessary to enable him or her to express an informed opinion as to whether or not such covenant or condition has been satisfied; and
- (iv) a statement as to whether or not, in the opinion of such Person, such condition or covenant has been satisfied.

Section 12.06 Rules by Trustee and Agents.

The Registrar or Paying Agent may make reasonable rules and set reasonable requirements for its functions.

Section 12.07 No Personal Liability of Directors, Officers, Employees and Stockholders.

No director, officer, employee, incorporator or stockholder of the Company or any Guarantor, as such, will have any liability for any obligations of the Company or the Guarantors under the Notes, this Indenture, the Subsidiary Guarantees, or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. The waiver may not be effective to waive liabilities under the federal securities laws.

Section 12.08 Governing Law.

THE INTERNAL LAW OF THE STATE OF NEW YORK WILL GOVERN AND BE USED TO CONSTRUE THIS INDENTURE, THE NOTES AND THE SUBSIDIARY GUARANTEES WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES, THE SUBSIDIARY GUARANTEES OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 12.09 No Adverse Interpretation of Other Agreements.

This Indenture may not be used to interpret any other Indenture, loan or debt agreement of the Company or its Subsidiaries or of any other Person. Any such Indenture, loan or debt agreement may not be used to interpret this Indenture.

Section 12.10 *Successors.*

All agreements of the Company in this Indenture and the Notes will bind its successors. All agreements of the Trustee in this Indenture will bind its successors. All agreements of each Guarantor in this Indenture will bind its successors, except as otherwise provided in Section 4.10 hereof.

Section 12.11 *Severability.*

In case any provision in this Indenture or in the Notes is invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions will not in any way be affected or impaired thereby.

Section 12.12 *Counterpart Originals.*

The parties may sign any number of copies of this Indenture. Each signed copy will be an original, but all of them together represent the same agreement.

Section 12.13 *Table of Contents, Headings, etc.*

The Table of Contents, Cross-Reference Table and Headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not to be considered a part of this Indenture and will in no way modify or restrict any of the terms or provisions hereof.

Section 12.14 *Acts of Holders.*

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one (1) or more instruments (including instruments in facsimile, digital or other electronic form) of substantially similar tenor signed (including signatures in facsimile, digital or other electronic form) by such Holders in person or by agent duly appointed in writing (including signatures in facsimile, digital or other electronic form); and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee and, where it is hereby expressly required, to the Company. Such instrument or instruments (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the "*Act*" of Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee and the Company, if made in the manner provided in this Section 12.14.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved by the affidavit of a witness of such execution or by a certificate of a notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to such officer the execution thereof. Where such execution is by a signer acting in a capacity other than such signer's individual capacity, such certificate or affidavit shall also constitute sufficient proof of such signer's authority. The fact and date of the execution of any such instrument or writing, or the authority of the Person executing the same, may also be proved in any other manner which the Trustee deems sufficient.

(c) The ownership of Notes shall be proved by the Note register maintained under Section 2.03 hereunder.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other Act of the Holder of any Note shall bind every future Holder of the same Note and the Holder of every Note issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof in respect of anything done, omitted or suffered to be done by the Trustee or the Company in reliance thereon, whether or not notation of such action is made upon such Note.

(e) If the Company shall solicit from the Holders any request, demand, authorization, direction, notice, consent, waiver or other Act, the Company may, at its option, fix in advance a record date for the determination of Holders entitled to give such request, demand, authorization, direction, notice, consent, waiver or other Act, but the Company shall have no obligation to do so. If such a record date is fixed, such request, demand, authorization, direction, notice, consent, waiver or other Act may be given before or after such record date, but only the Holders of record at the close of business on such record date shall be deemed to be Holders for the purposes of determining whether Holders of the requisite proportion of outstanding Notes have authorized or agreed or consented to such request, demand, authorization, direction, notice, consent, waiver or other Act, and for that purpose the outstanding Notes shall be computed as of such record date; *provided* that no such request, demand, authorization, direction, notice, consent or waiver by the Holders on such record date shall be deemed effective unless it shall become effective (pursuant to the provisions of this Indenture, to the extent applicable) not later than six (6) months after the record date.

Capitalized terms used herein have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

(1) *INTEREST.* Louisiana-Pacific Corporation, a Delaware corporation (the “*Company*”), promises to pay or cause to be paid interest on the principal amount of this Note at the rate of 4.875% per annum from September 14, 2016 until maturity and shall pay the Special Interest, if any, payable pursuant to the Registration Rights Agreement referred to below. The Company will pay interest and Special Interest, if any, semi-annually in arrears on March 15 and September 15 of each year (each an “*Interest Payment Date*”), or if any such day is not a Business Day, on the next succeeding Business Day. Interest on the Notes will accrue from the most recent Interest Payment Date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from the date of original issuance; provided that, if this Note is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; provided, further, that the first Interest Payment Date shall be March 15, 2017. The Company will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at a rate that is 1% higher than the then applicable interest rate on the Notes to the extent lawful; it will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest and Special Interest, if any (without regard to any applicable grace period), at the same rate to the extent lawful.

Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months.

(2) *METHOD OF PAYMENT.* The Company will pay interest on the Notes (except defaulted interest) and Special Interest, if any, to the Persons who are registered Holders of Notes at the close of business on the March 1 or September 1 (whether or not a Business Day) next preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest. The Notes will be payable as to principal, premium, if any, and interest and Special Interest, if any, at the office or agency of the Paying Agent and Registrar, or, at the option of the Company, payment of interest and Special Interest, if any, may be made by check mailed to the Holders at their addresses set forth in the register of Holders; *provided* that payment by wire transfer of immediately available funds will be required with respect to principal of, premium, if any, on, and interest and Special Interest, if any, on, all Global Notes and all other Notes the Holders of which will have provided wire transfer instructions to the Paying Agent at least ten days prior to the applicable payment date; provided that no payment of principal of or premium, if any, on this Note may be made unless such Note is surrendered to the Paying Agent for payment. Such payment will be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

(3) *PAYING AGENT AND REGISTRAR.* Initially, The Bank of New York Mellon Trust Company, N.A., the Trustee under the Indenture, will act as Paying Agent and Registrar. The

Company may change the Paying Agent or Registrar without prior notice to the Holders of the Notes. The Company or any of its Subsidiaries may act as Paying Agent or Registrar.

(4) *INDENTURE*. The Company issued the Notes under an Indenture dated as of September 14, 2016 (the “*Indenture*”) between the Company and the Trustee. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the TIA once the Indenture is qualified under the TIA. The Notes are subject to all such terms, and Holders are referred to the Indenture and the TIA for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Indenture does not limit the aggregate principal amount of Notes that may be issued thereunder.

(5) *OPTIONAL REDEMPTION*.

(A) At any time, or from time to time, on or prior to September 15, 2019, the Company may, at its option, use all or any portion of the net cash proceeds of one or more Equity Offerings to redeem up to 35% of the aggregate principal amount of the Notes issued at a redemption price equal to 104.875% of the principal amount thereof plus accrued and unpaid interest, if any, to, but not including, the date of redemption (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date); provided that at least 65% of the aggregate principal amount of Notes issued remains outstanding immediately after any such redemption. In order to effect the foregoing redemption with the net cash proceeds of any Equity Offering, the Company shall make such redemption not more than 180 days after the consummation of any such Equity Offering.

(B) At any time prior to September 15, 2019, the Company may, at its option on one or more occasions, redeem all or any portion of the Notes upon not less than 30 nor more than 60 days’ notice at a redemption price equal to 100% of the principal amount of Notes to be redeemed plus the Applicable Premium as of, and accrued and unpaid interest, if any, thereon to, but not including, the date of redemption (subject to the rights of Holders on the relevant record date to receive interest due on the relevant Interest Payment Date). The Company shall give the Trustee notice of the redemption price for any redemption pursuant to this clause (B) promptly after the calculation thereof and the Trustee shall have no responsibility for any such calculation.

(C) Except pursuant to the preceding paragraphs, the Notes will not be redeemable at the Company’s option prior to September 15, 2019.

(D) The Company may redeem the Notes in whole at any time or in part from time to time on and after September 15, 2019, upon not less than 30 nor more than 60 days’ notice, at the following redemption prices (expressed as percentages of the principal amount of the Notes to be redeemed) if redeemed during the twelve-month period commencing on September 15 of the years set forth below, plus, in each case, accrued and unpaid interest, if any, to, but not including, the date of redemption (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date):

<u>Year</u>	<u>Percentage</u>
2019	103.656%
2020	102.438%
2021	101.219%
2022 and thereafter	100.000%

Unless the Company defaults in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.

(6) *MANDATORY REDEMPTION.* The Company is not required to make mandatory redemption or sinking fund payments with respect to the Notes.

(7) *REPURCHASE AT THE OPTION OF HOLDER.*

Unless the Company has exercised its right to redeem all the Notes, upon the occurrence of a Change of Control, the Company will be required to make an offer (a “*Change of Control Offer*”) to each Holder to repurchase all or any part (equal to \$1,000 or an integral multiple of \$1,000 in excess thereof; provided that the unpurchased portion of any Note may not be less than \$2,000) of that Holder’s Notes at a purchase price in cash equal to 101% of the principal amount of Notes to be repurchased, plus accrued and unpaid interest and Special Interest, if any, on the Notes repurchased to, but not including, the date of purchase, subject to the rights of Holders of Notes on the relevant record date to receive interest on an interest payment date occurring on or prior to the purchase date. Within 30 days following any Change of Control, the Company will mail (or to the extent permitted or required by applicable DTC procedures or regulations with respect to Global Notes, send electronically) a notice to each Holder setting forth the procedures governing the Change of Control Offer as required by the Indenture.

(8) *NOTICE OF REDEMPTION.* At least 30 days but not more than 60 days before a redemption date, the Company will mail or cause to be mailed, by first class mail (or to the extent permitted or required by applicable DTC procedures or regulations with respect to Global Notes, send electronically), a notice of redemption to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of the Indenture pursuant to Articles 8 or 11 thereof. Notes selected will be in amounts of \$2,000 or integral multiples of \$1,000 in excess thereof; provided that if all of the Notes of a Holder are to be redeemed, the entire outstanding amount of Notes held by such Holder shall be redeemed; provided, further that portions of Notes may be selected for redemption in denominations equal to \$1,000 or integral multiples thereof, except that the unredeemed portion of a Note shall be in a minimum principal amount of \$2,000.

(9) *DENOMINATIONS, TRANSFER, EXCHANGE.* The Notes are in registered form in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Company need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Company need not exchange or register the transfer of any Notes for a period of 15 days before a selection of Notes to be redeemed or during the period between a record date and the next succeeding Interest Payment Date.

(10) *PERSONS DEEMED OWNERS.* Except as otherwise provided in the Indenture, the registered Holder of a Note may be treated as the owner of it for all purposes. Only registered Holders have rights under the Indenture.

(12) *DEFAULTS AND REMEDIES.* The Events of Default relating to the Notes are defined in Section 6.01 of the Indenture.

(13) *TRUSTEE DEALINGS WITH COMPANY.* The Trustee, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the Company or its Affiliates, and may otherwise deal with the Company or its Affiliates, as if it were not the Trustee.

(14) *NO RECOURSE AGAINST OTHERS.* No director, officer, employee, incorporator or stockholder of the Company or any Guarantor, as such, will have any liability for any obligations of the Company or the Guarantors under the Notes, the Indenture, the Subsidiary Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. The waiver may not be effective to waive liabilities under the federal securities laws.

(15) *AUTHENTICATION.* This Note will not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

(16) *ABBREVIATIONS.* Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

(17) *ADDITIONAL RIGHTS OF HOLDERS OF RESTRICTED GLOBAL NOTES AND RESTRICTED DEFINITIVE NOTES.* In addition to the rights provided to Holders of Notes under the Indenture, Holders of Restricted Global Notes and Restricted Definitive Notes will have all the rights set forth in the Registration Rights Agreement, dated as of September 14, 2016, between the Company and Merrill Lynch, Pierce, Fenner & Smith Incorporated, as Representative of the Initial Purchasers, or, in the case of Additional Notes, Holders of Restricted Global Notes and Restricted Definitive Notes will have the rights set forth in one or more registration rights agreements, if any, among the Company and the other parties thereto, relating to rights given by the Company to the purchasers of any Additional Notes (collectively, the “*Registration Rights Agreement*”).

(18) *CUSIP OR ISIN NUMBERS.* Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Company has caused CUSIP or ISIN numbers to be printed on the Notes, and the Trustee may use CUSIP or ISIN numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption, and reliance may be placed only on the other identification numbers placed thereon.

(19) *GOVERNING LAW.* THE INTERNAL LAW OF THE STATE OF NEW YORK WILL GOVERN AND BE USED TO CONSTRUE THE INDENTURE, THIS NOTE AND THE SUBSIDIARY GUARANTEES WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY. we confirm that:

1. We understand that any subsequent transfer of the Notes or any interest therein is subject to certain restrictions and conditions set forth in the Indenture and the undersigned agrees to be bound by, and not to resell, pledge or otherwise transfer the Notes or any interest therein except in compliance with, such restrictions and conditions and the Securities Act of 1933, as amended (the “*Securities Act*”).

2. We understand that the offer and sale of the Notes have not been registered under the Securities Act, and that the Notes and any interest therein may not be offered or sold except as permitted in the following sentence. We agree, on our own behalf and on behalf of any accounts for which we are acting as hereinafter stated, that if we should sell the Notes or any interest therein, we will do so only (A) to the Company or any Subsidiary thereof, (B) in accordance with Rule 144A under the Securities Act to a “qualified institutional buyer” (as defined therein), (C) to an institutional “accredited investor” (as defined below) that, prior to such transfer, furnishes (or has furnished on its behalf by a U.S. broker-dealer) to you and to the Company a signed letter substantially in the form of this letter and, if such transfer is in respect of a principal amount of Notes, at the time of transfer of less than \$250,000, an Opinion of Counsel in form reasonably acceptable to the Company to the effect that such transfer is in compliance with the Securities Act, (D) outside the United States in accordance with Rule 904 of Regulation S under the Securities Act, (E) pursuant to the provisions of Rule 144 under the Securities Act or (F) pursuant to an effective registration statement under the Securities Act, and we further agree to provide to any Person purchasing the Definitive Note or beneficial interest in a Global Note from us in a transaction meeting the requirements of clauses (A) through (E) of this paragraph a notice advising such purchaser that resales thereof are restricted as stated herein.

3. We understand that, on any proposed resale of the Notes or beneficial interest therein, we will be required to furnish to you and the Company such certifications, legal opinions and other

information as you and the Company may reasonably require to confirm that the proposed sale complies with the foregoing restrictions. We further understand that the Notes purchased by us will bear a legend to the foregoing effect.

4. We are an institutional “accredited investor” (as defined in Rule 501(a)(1), (2), (3) or (7) of Regulation D under the Securities Act) and have such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of our investment in the Notes, and we and any accounts for which we are acting are each able to bear the economic risk of our or its investment.

5. We are acquiring the Notes or beneficial interest therein purchased by us for our own account or for one or more accounts (each of which is an institutional “accredited investor”) as to each of which we exercise sole investment discretion.

You and the Company are entitled to rely upon this letter and are irrevocably authorized to produce this letter or a copy hereof to any interested party in any administrative or legal proceedings or official inquiry with respect to the matters covered hereby.

2. *Registration Under the Securities Act.*

(a) Except as set forth in Section 2(b) below, the Company agrees to file under the Securities Act, no later than 180 days after the Closing Date, a registration statement relating to an offer to exchange (such registration statement, the “*Exchange Registration Statement*”, and such offer, the “*Exchange Offer*”) any and all of the Securities for a like aggregate principal amount of debt securities issued by the Company, which debt securities are substantially identical to the Securities (and are entitled to the benefits of a trust indenture which is substantially identical to the Indenture or is the Indenture and which has been qualified under the Trust Indenture Act), except that they have been registered pursuant to an effective registration statement under the Securities Act and do not contain provisions for Special Interest contemplated in Section 2(c) below (such new debt securities hereinafter called “*Exchange Securities*”). The Company agrees to use all commercially reasonable efforts to (i) obtain as promptly as practicable all financial statements of the Company and its subsidiaries (including the financial statements of any acquired entities and related pro forma financial statements) required to be included in such filing, and (ii) cause the Exchange Registration Statement to become effective under the Securities Act as promptly as practicable, but in any event no later than 210 days after the Closing Date. The Exchange Offer will be registered under the Securities Act on the appropriate form and will comply with all applicable tender offer rules and regulations under the Exchange Act. Unless the Exchange Offer would not be permitted by applicable law or Commission policy, the Company further agrees to use all commercially reasonable efforts to (i) commence and complete the Exchange Offer promptly (but no later than 60 days) following the Effective Time of such Exchange Registration Statement, (ii) hold the Exchange Offer open for at least 30 days in accordance with Regulation 14E promulgated by the Commission under the Exchange Act (or such longer period as may be required by applicable law) and (iii) exchange Exchange Securities for all Registrable Securities that have been properly tendered and not withdrawn promptly following the expiration of the Exchange Offer. The

Exchange Offer will be deemed to have been “completed” only (i) if the debt securities received by holders other than Restricted Holders in the Exchange Offer for Registrable Securities are, upon receipt, transferable by each such holder without restriction under the Securities Act. The Exchange Offer shall be deemed to have been completed upon the Company’s having exchanged, pursuant to the Exchange Offer, Exchange Securities for all Registrable Securities (other than Exchange Securities held by Restricted Holders) that have been properly tendered and not withdrawn before the expiration of the Exchange Offer. The Company agrees (x) to include in the Exchange Registration Statement a prospectus for use in any resale by any holder of Exchange Securities that is a broker-dealer or is otherwise subject to prospectus delivery requirements and (y) to use commercially reasonable efforts to keep such Exchange Registration Statement effective for a period (the “*Resale Period*”) beginning when Exchange Securities are first issued in the Exchange Offer and ending upon the earlier of the expiration of the 90th day after the Exchange Offer has been completed or such time as such broker-dealers no longer own any Registrable Securities. With respect to such Exchange Registration Statement, such holders shall have the benefit of the rights of indemnification and contribution set forth in Subsections 6(a), (c), (d) and (e) hereof.

(b) If (i) on or prior to the time the Exchange Offer is completed, existing law or Commission interpretations are changed such that the debt securities received by holders other than Restricted Holders in the Exchange Offer for Registrable Securities are not or would not be, upon receipt, transferable by each such holder without restriction under the Securities Act, (ii) the Exchange Offer has not been completed within 270 days of the Closing Date or (iii) any holder of Registrable Securities notifies the Company prior to the 20th Business Day following the completion of the Exchange Offer that: (A) it is prohibited by law or Commission policy from participating in the Exchange Offer, (B) it may not resell the Exchange Securities to the public without delivering a prospectus and the prospectus supplement contained in the Exchange Registration Statement is not appropriate or available for such resales or (C) it is a broker-dealer and owns Securities acquired directly from the Company or an affiliate of the Company, then the Company shall, in lieu of (or, in the case of clause (iii), in addition to) conducting the Exchange Offer contemplated by Section 2(a), use commercially reasonable efforts to file under the Securities Act as soon as practicable, but no later than 60 days after the date of such notice (and no earlier than the time at which the Company is obligated to file an Exchange Registration Statement), a “shelf” registration statement providing for the registration of, and the sale on a continuous or delayed basis by the holders of, all of the Registrable Securities, pursuant to Rule 415 or any similar rule that may be adopted by the Commission (such filing, the “*Shelf Registration*” and such registration statement, the “*Shelf Registration Statement*”). The Company agrees to use commercially reasonable efforts to cause the Shelf Registration Statement to become or be declared effective as promptly as practicable, but in any event no later than 180 days after the date of the notice of such Shelf Registration Statement filing obligation (but no earlier than 210 days after the Closing Date); *provided* that if at any time the Company is or becomes a “well-known seasoned issuer” (as defined in Rule 405) and is eligible to file an “automatic shelf registration statement” (as defined in Rule 405), then the Company shall file the Shelf Registration Statement in the form of an automatic shelf registration statement as provided in Rule 405. The Company agrees to use commercially reasonable efforts to keep such Shelf Registration Statement continuously effective for a period ending on the earlier of the second anniversary of the Effective Time or such time as there are no longer any Registrable Securities outstanding; *provided, however*, that the Company not be obligated to keep such Shelf Registration Statement effective for a period of more than 180 days from the date the Shelf Registration Statement is declared effective if the Shelf Registration

Statement is required to be filed solely to permit resale by a participating broker-dealer that holds the initial notes or Exchange Securities acquired directly from the company or one of its affiliates. No holder shall be entitled to be named as a selling securityholder in the Shelf Registration Statement or to use the prospectus forming a part thereof for resales of Registrable Securities unless such holder is an Electing Holder. The Company agrees after the Effective Time of the Shelf Registration Statement and promptly upon the written request of any holder of Registrable Securities that is not then an Electing Holder, to use commercially reasonable efforts to enable such holder to use the prospectus forming a part thereof for resales of Registrable Securities, including, without limitation, any action necessary to identify such holder as a selling securityholder in the Shelf Registration Statement (whether by post-effective amendment thereto or by filing a prospectus pursuant to Rules 430B and 424(b) under the Securities Act identifying such holder), *provided, however*, that nothing in this sentence shall relieve any such holder of the obligation to return a completed and signed Notice and Questionnaire to the Company in accordance with Section 3(d)(iii) hereof; *provided, further*, that each holder shall promptly furnish additional information required to be disclosed in order to make any information previously furnished to the Company by such holder not misleading. The Company further agrees to supplement or make amendments to the Shelf Registration Statement, as and when required by the rules, regulations or instructions applicable to the registration form used by the Company for such Shelf Registration Statement or by the Securities Act or rules and regulations thereunder for shelf registration, and the Company agrees to furnish to each Electing Holder copies of any such supplement or amendment prior to its being used or promptly following its filing with the Commission.

(c) In the event that (i) the Company has not filed the Exchange Registration Statement or the Shelf Registration Statement on or before the date on which such registration statement is required to be filed pursuant to Section 2(a) or Section 2(b), respectively, or (ii) such Exchange Registration Statement or Shelf Registration Statement has not become effective or been declared effective by the Commission on or before the date on which such registration statement is required to become or be declared effective pursuant to Section 2(a) or Section 2(b), respectively, or (iii) the Exchange Offer has not been completed within 60 days after the Effective Time of the Exchange Registration Statement relating to the Exchange Offer (if the Exchange Offer is then required to be made), or (iv) any Exchange Registration Statement or Shelf Registration Statement required by Section 2(a) or Section 2(b) hereof is filed and declared effective but shall thereafter either be withdrawn by the Company or shall become subject to an effective stop order issued pursuant to Section 8(d) of the Securities Act suspending the effectiveness of such registration statement (except as specifically permitted herein) without being succeeded immediately by an additional registration statement filed and declared effective (each such event referred to in clauses (i) through (iv), a “*Registration Default*” and each period during which a Registration Default has occurred and is continuing, a “*Registration Default Period*”), then, as liquidated damages for such Registration Default, subject to the provisions of Section 9(b), special interest (“*Special Interest*”), in addition to the Base Interest, shall accrue on all Registrable Securities then outstanding at a per annum rate of 0.25% for the first 90 days of the Registration Default Period and at a per annum rate of 0.50% for the balance of the Registration Default Period.

(d) The Company shall take all actions necessary or advisable to be taken by it or them to ensure that the transactions contemplated herein are effected as so contemplated.

(e) Any reference herein to a registration statement or prospectus as of any time shall be deemed to include any document incorporated, or deemed to be incorporated, therein by reference as of such time; and any reference herein to any post-effective amendment to a registration statement or to any prospectus supplement as of any time shall be deemed to include any document incorporated, or deemed to be incorporated, therein by reference as of such time.

3. *Registration Procedures.*

If the Company files a registration statement pursuant to Section 2(a) or Section 2(b), the following provisions shall apply:

(a) At or before the Effective Time of the Exchange Registration or any Shelf Registration, whichever may occur first, the Company shall qualify the Indenture under the Trust Indenture Act of 1939.

(b) In the event that such qualification would require the appointment of a new trustee under the Indenture, the Company shall appoint a new trustee thereunder pursuant to the applicable provisions of the Indenture.

(c) In connection with the Company's obligations with respect to the registration of Exchange Securities as contemplated by Section 2(a) (the "*Exchange Registration*"), if applicable, the Company shall:

(i) prepare and file with the Commission, within the time periods specified in Section 2(a), an Exchange Registration Statement on any form which may be utilized by the Company and which shall permit the Exchange Offer and resales of Exchange Securities by broker-dealers during the Resale Period to be effected as contemplated by Section 2(a), and use all commercially reasonable efforts to cause such Exchange Registration Statement to become effective within the time periods specified in Section 2(a);

(ii) prepare and file with the Commission such amendments and supplements to such Exchange Registration Statement and the prospectus included therein as may be necessary to effect and maintain the effectiveness of such Exchange Registration Statement for the periods and purposes contemplated in Section 2(a) hereof and as may be required by the applicable rules and regulations of the Commission and the instructions applicable to the form of such Exchange Registration Statement, and promptly provide each broker-dealer holding Exchange Securities with such number of copies of the prospectus included therein (as then amended or supplemented), in conformity in all material respects with the requirements of the Securities Act and the Trust Indenture Act and the rules and regulations of the Commission thereunder, as such broker-dealer reasonably may request prior to the expiration of the Resale Period, for use in connection with resales of Exchange Securities;

(iii) promptly notify each broker-dealer that has requested copies of the prospectus included in such Exchange Registration Statement, and confirm such advice in writing, (A) when such Exchange Registration Statement or the prospectus included therein or any prospectus amendment or supplement or post-effective amendment has been filed, and, with respect to such Exchange Registration

Statement or any post-effective amendment, when the same has become effective, (B) of any comments by the Commission and by the blue sky or securities commissioner or regulator of any state with respect thereto or any request by the Commission for amendments or supplements to such Exchange Registration Statement or prospectus or for additional information, (C) of the issuance by the Commission of any stop order suspending the effectiveness of such Exchange Registration Statement or the initiation or threatening of any proceedings for that purpose, (D) if at any time the representations and warranties of the Company contemplated by Section 5 cease to be true and correct in all material respects, (E) of the receipt by the Company of any notification with respect to the suspension of the qualification of the Exchange Securities for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose, (F) the occurrence of any event that causes the Company to become an “ineligible issuer” as defined in Rule 405 or (G) if, at any time during the Resale Period when a prospectus is required to be delivered under the Securities Act, such Exchange Registration Statement, prospectus, prospectus amendment or supplement or post-effective amendment does not conform in all material respects to the applicable requirements of the Securities Act and the Trust Indenture Act and the rules and regulations of the Commission thereunder or contains an untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing;

(iv) in the event that the Company would be required, pursuant to Section 3(c)(iii)(G) above, to notify any broker-dealers that have notified the Company in writing that they hold Exchange Securities, promptly prepare and furnish to each such holder a reasonable number of copies of a prospectus supplemented or amended so that, as thereafter delivered to purchasers of such Exchange Securities during the Resale Period, such prospectus shall conform in all material respects to the applicable requirements of the Securities Act and the Trust Indenture Act and the rules and regulations of the Commission thereunder and shall not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing. Each Electing Holder agrees that upon receipt of any notice from the Company pursuant to Section 3(c)(iii)(G) hereof, such Electing Holder shall forthwith discontinue the disposition of Registrable Securities pursuant to the Exchange Registration Statement applicable to such Registrable Securities until such Electing Holder shall have received copies of such amended or supplemented prospectus, and if so directed by the Company, such Electing Holder shall deliver to the Company (at the Company’s expense) all copies, other than permanent file copies, of the prospectus covering such Registrable Securities in such Electing Holder’s possession at the time of receipt of such notice;

(v) use commercially reasonable efforts to obtain the withdrawal of any order suspending the effectiveness of such Exchange Registration Statement or any post-effective amendment thereto at the earliest practicable date;

(vi) use commercially reasonable efforts to (A) register or qualify the Exchange Securities under the securities laws or blue sky laws of such jurisdictions as are contemplated by Section 2(a) no later than the commencement of the Exchange Offer, to the extent required by such laws, (B) keep such registrations or qualifications in effect and comply with such laws so as to permit the continuance of

offers, sales and dealings therein in such jurisdictions until the expiration of the Resale Period, (C) take any and all other actions as may be reasonably necessary or advisable to enable each broker-dealer holding Exchange Securities to consummate the disposition thereof in such jurisdictions and (D) obtain the consent or approval of each governmental agency or authority, whether federal, state or local, which may be required to effect the Exchange Registration, the Exchange Offer and the offering and sale of Exchange Securities by broker dealers during the Resale Period; *provided, however*, that the Company shall not be required for any such purpose to (1) qualify as a foreign corporation in any jurisdiction wherein it would not otherwise be required to qualify but for the requirements of this Section 3(c)(vi), (2) consent to general service of process in any such jurisdiction or become subject to taxation in any such jurisdiction or (3) make any changes to its certificate of incorporation or by-laws or other governing documents or any agreement between it and its stockholders;

(vii) obtain a CUSIP number for all Exchange Securities, not later than the applicable Effective Time; and

(viii) comply with all applicable rules and regulations of the Commission, and make generally available to its securityholders as promptly as practicable but no later than eighteen months after the Effective Time of such Exchange Registration Statement, an “earning statement” of the Company and its subsidiaries complying with Section 11(a) of the Securities Act (including, at the option of the Company, Rule 158 thereunder).

(d) In connection with the Company’s obligations with respect to the Shelf Registration, if applicable, the Company shall:

(i) prepare and file with the Commission, within the time periods specified in Section 2(b), a Shelf Registration Statement on any form which may be utilized by the Company and which shall register all of the Registrable Securities for resale by the holders thereof in accordance with such method or methods of disposition as may be specified by such of the holders of Registrable Securities (which specification shall be subject in all cases to the provisions of Section 7) as, from time to time, may be Electing Holders and use all commercially reasonable efforts to cause such Shelf Registration Statement to become effective as promptly as practicable but in any case within the time periods specified in Section 2(b);

(ii) mail or distribute through DTC the Notice and Questionnaire to the holders of Registrable Securities not less than 30 days prior to the anticipated Effective Time of the Shelf Registration Statement (it being understood that no holder shall be entitled to be named as a selling securityholder in the Shelf Registration Statement as of the Effective Time, and no holder shall be entitled to use the prospectus forming a part thereof for resales of Registrable Securities at any time, unless and until such holder has returned a completed and signed Notice and Questionnaire to the Company by the deadline for response set forth therein); *provided, however*, that holders of Registrable Securities shall have at least 28 days from the date on which the Notice and Questionnaire is first sent to such holders to return a completed and signed Notice and Questionnaire to the Company;

(iii) after the Effective Time of the Shelf Registration Statement, upon the request of any holder of Registrable Securities that is not then an Electing Holder, promptly send a Notice and Questionnaire to such holder; *provided* that the Company shall not be required to take any action to name such holder as a selling securityholder in the Shelf Registration Statement or to enable such holder to use the prospectus forming a part thereof for resales of Registrable Securities until such holder has returned a completed and signed Notice and Questionnaire to the Company;

(iv) as soon as practicable prepare and file with the Commission such amendments and supplements to such Shelf Registration Statement and the prospectus included therein as may be necessary to effect and maintain the effectiveness of such Shelf Registration Statement for the period specified in Section 2(b) hereof and as may be required by the applicable rules and regulations of the Commission and the instructions applicable to the form of such Shelf Registration Statement, and furnish to the Electing Holders copies of any such supplement or amendment simultaneously with or prior to its being used or filed with the Commission to the extent such documents are not publicly available on the Commission's EDGAR System;

(v) comply with the provisions of the Securities Act with respect to the disposition of all of the Registrable Securities covered by such Shelf Registration Statement in accordance with the intended methods of disposition by the Electing Holders provided for in such Shelf Registration Statement;

(vi) provide the Electing Holders and not more than one counsel for all the Electing Holders the opportunity to participate in the preparation of such Shelf Registration Statement, each prospectus included therein or filed with the Commission and each amendment or supplement thereto;

(vii) for a reasonable period prior to the filing of such Shelf Registration Statement, and throughout the period specified in Section 2(b), make available at reasonable times at the Company's principal place of business or such other reasonable place for inspection by the persons referred to in Section 3(d)(vi) who shall certify to the Company that they have a current intention to sell the Registrable Securities pursuant to the Shelf Registration such financial and other information and books and records of the Company, and cause the officers, employees, counsel and independent certified public accountants of the Company to respond to such inquiries, as shall be reasonably necessary (and in the case of counsel, not violate an attorney-client privilege, in such counsel's reasonable belief), in the judgment of the respective counsel referred to in Section 3(d)(vi), to conduct a reasonable investigation within the meaning of Section 11 of the Securities Act; *provided, however*, that the foregoing inspection and information gathering on behalf of the Electing Holders shall be conducted by one counsel designated by the holders of at least a majority in aggregate principal amount of the Registrable Securities held by the Electing Holders at the time outstanding and *provided, further*, that each such party shall be required to maintain in confidence and not to disclose to any other person any information or records reasonably designated by the Company as being confidential, until such time as (A) such information becomes a matter of public record (whether by virtue of its inclusion in such Shelf Registration Statement or otherwise), or (B) such person shall be required so to disclose such information

pursuant to a subpoena or order of any court or other governmental agency or body having jurisdiction over the matter (subject to the requirements of such order, and only after such person shall have given the Company prompt prior written notice of such requirement), or (C) such information is required to be set forth in such Shelf Registration Statement or the prospectus included therein or in an amendment to such Shelf Registration Statement or an amendment or supplement to such prospectus in order that such Shelf Registration Statement, prospectus, amendment or supplement, as the case may be, complies with applicable requirements of the federal securities laws and the rules and regulations of the Commission and does not contain an untrue statement of a material fact or omit to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing;

(viii) promptly notify each of the Electing Holders and confirm such advice in writing, (A) when such Shelf Registration Statement or the prospectus included therein or any prospectus amendment or supplement or post-effective amendment has been filed, and, with respect to such Shelf Registration Statement or any post-effective amendment, when the same has become effective, (B) of any comments by the Commission and by the blue sky or securities commissioner or regulator of any state with respect thereto or any request by the Commission for amendments or supplements to such Shelf Registration Statement or prospectus or for additional information, (C) of the issuance by the Commission of any stop order suspending the effectiveness of such Shelf Registration Statement or the initiation or threatening of any proceedings for that purpose, (D) if at any time the representations and warranties of the Company contemplated by Section 3(d)(xvii) or Section 5 cease to be true and correct in all material respects, (E) of the receipt by the Company of any notification with respect to the suspension of the qualification of the Registrable Securities for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose, (F) the occurrence of any event that causes the Company to become an “ineligible issuer” as defined in Rule 405, or (G) if, at any time when a prospectus is required to be delivered under the Securities Act, such Shelf Registration Statement, prospectus, prospectus amendment or supplement or post-effective amendment does not conform in all material respects to the applicable requirements of the Securities Act and the Trust Indenture Act and the rules and regulations of the Commission thereunder or contains an untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing;

(ix) use commercially reasonable efforts to obtain the withdrawal of any order suspending the effectiveness of such Shelf Registration Statement or any post-effective amendment thereto at the earliest practicable date;

(x) if requested by any Electing Holder, promptly incorporate in a prospectus supplement or post-effective amendment such information as is required by the applicable rules and regulations of the Commission and is provided by such Electing Holder for inclusion therein relating to the terms of the sale of such Registrable Securities, including information with respect to the principal amount of Registrable Securities being sold by such Electing Holder, the name and description of such Electing Holder, the offering price of such Registrable Securities and any discount, commission or other compensation payable in respect thereof and with respect to

any other terms of the offering of the Registrable Securities to be sold by such Electing Holder; and make all required filings of such prospectus supplement or post-effective amendment promptly after notification of the matters to be incorporated in such prospectus supplement or post-effective amendment;

(xi) furnish to each Electing Holder and the counsel referred to in Section 3(d)(vi) an executed copy (or a conformed copy) of such Shelf Registration Statement, each such amendment and supplement thereto (in each case including all exhibits thereto (in the case of an Electing Holder of Registrable Securities, upon request) and documents incorporated by reference therein) and such number of copies of such Shelf Registration Statement (excluding exhibits thereto and documents incorporated by reference therein unless specifically so requested by such Electing Holder) and of the prospectus included in such Shelf Registration Statement (including each preliminary prospectus and any summary prospectus), in conformity in all material respects with the applicable requirements of the Securities Act and the Trust Indenture Act to the extent such documents are not available through the Commission's EDGAR System, and such other documents, as such Electing Holder may reasonably request in order to facilitate the offering and disposition of the Registrable Securities owned by such Electing Holder and to permit such Electing Holder to satisfy the prospectus delivery requirements of the Securities Act; and subject to Section 3(e), the Company hereby consents to the use of such prospectus (including such preliminary and summary prospectus) and any amendment or supplement thereto by each such Electing Holder, in each case in the form most recently provided to such person by the Company, in connection with the offering and sale of the Registrable Securities covered by the prospectus (including such preliminary and summary prospectus) or any supplement or amendment thereto;

(xii) use commercially reasonable efforts to (A) register or qualify the Registrable Securities to be included in such Shelf Registration Statement under such United States state securities laws or blue sky laws of such jurisdictions as any Electing Holder shall reasonably request, (B) keep such registrations or qualifications in effect and comply with such laws so as to permit the continuance of offers, sales and dealings therein in such jurisdictions during the period the Shelf Registration Statement is required to remain effective under Section 2(b), (C) take any and all other actions as may be reasonably necessary or advisable to enable each such Electing Holder to consummate the disposition in such jurisdictions of such Registrable Securities and (D) obtain the consent or approval of each governmental agency or authority, whether federal, state or local, which may be required to effect the Shelf Registration or the offering or sale in connection therewith or to enable the selling holder or holders to offer, or to consummate the disposition of, their Registrable Securities; *provided, however*, that the Company shall not be required for any such purpose to (1) qualify as a foreign corporation in any jurisdiction wherein it would not otherwise be required to qualify but for the requirements of this Section 3(d)(xii), (2) consent to general service of process in any such jurisdiction or become subject to taxation in any such jurisdiction or (3) make any changes to its certificate of incorporation or by-laws or other governing documents or any agreement between it and its stockholders;

(xiii) unless any Registrable Securities shall be in book-entry only form, cooperate with the Electing Holders to facilitate the timely preparation and delivery of

certificates representing Registrable Securities to be sold, which certificates, if so required by any securities exchange upon which any Registrable Securities are listed, shall be printed, penned, lithographed or engraved, or otherwise produced by any combination of such methods, on steel engraved borders, and which certificates shall not bear any restrictive legends;

(xiv) obtain a CUSIP number for all Registrable Securities sold pursuant to the Shelf Registration Statement, not later than the applicable Effective Time;

(xv) notify in writing each holder of Registrable Securities of any proposal by the Company to amend or waive any provision of this Agreement pursuant to Section 9(h) hereof and of any amendment or waiver effected pursuant thereto, each of which notices shall contain the text of the amendment or waiver proposed or effected, as the case may be; and

(xvi) comply with all applicable rules and regulations of the Commission, and make generally available to its securityholders no later than eighteen months after the Effective Time of such Shelf Registration Statement, an "earning statement" of the Company and its subsidiaries complying with Section 11(a) of the Securities Act (including, at the option of the Company, Rule 158 thereunder).

(e) In the event that the Company would be required, pursuant to Section 3(d)(viii)(G) hereof, to notify the Electing Holders, the Company shall promptly prepare and furnish to each of the Electing Holders a reasonable number of copies of a prospectus supplemented or amended so that, as thereafter delivered to purchasers of Registrable Securities, such prospectus shall conform in all material respects to the applicable requirements of the Securities Act and the Trust Indenture Act and the rules and regulations of the Commission thereunder and shall not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing. Each Electing Holder agrees that upon receipt of any notice from the Company pursuant to Section 3(d)(viii)(G) hereof, such Electing Holder shall forthwith discontinue the disposition of Registrable Securities pursuant to the Shelf Registration Statement applicable to such Registrable Securities until such Electing Holder shall have received copies of such amended or supplemented prospectus, and if so directed by the Company, such Electing Holder shall deliver to the Company (at the Company's expense) all copies, other than permanent file copies, of the prospectus covering such Registrable Securities in such Electing Holder's possession at the time of receipt of such notice.

(f) In the event of a Shelf Registration, in addition to the information required to be provided by each Electing Holder in its Notice and Questionnaire, the Company may require such Electing Holder to furnish to the Company such additional information regarding such Electing Holder and such Electing Holder's intended method of distribution of Registrable Securities as may be required in order to comply with the Securities Act. Each such Electing Holder agrees to notify the Company as promptly as practicable of any inaccuracy or change in information previously furnished by such Electing Holder to the Company or of the occurrence of any event in either case as a result of which any prospectus relating to such Shelf Registration contains or would contain an untrue statement of a material fact regarding such Electing Holder or such Electing Holder's intended method of disposition of such Registrable Securities or omits to state any material fact regarding such Electing Holder or such Electing Holder's intended method of disposition of such Registrable Securities

required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing, and promptly to furnish to the Company any additional information required to correct and update any previously furnished information or required so that such prospectus shall not contain, with respect to such Electing Holder or the disposition of such Registrable Securities, an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing, provided that the expenses incurred by the Company solely as a result of an Electing Holder inaccuracy, change in information or omission will be paid by such Electing Holder.

(g) Until the expiration of one year after the Closing Date, the Company will not, and will not permit any of its “affiliates” (as defined in Rule 144) to, resell any of the Securities that have been reacquired by any of them except pursuant to an effective registration statement, or a valid exemption from the registration requirements, under the Securities Act.

(h) As a condition to its participation in the Exchange Offer, each holder of Registrable Securities shall furnish, upon the request of the Company, a written representation to the Company (which may be contained in the letter of transmittal or “agent’s message” transmitted via The Depository Trust Company’s Automated Tender Offer Procedures, in either case contemplated by the Exchange Registration Statement) to the effect that (A) it is not an “affiliate” of the Company, as defined in Rule 405 of the Securities Act, or if it is such an “affiliate”, it will comply with the registration and prospectus delivery requirements of the Securities Act to the extent applicable, (B) it is not engaged in and does not intend to engage in, and has no arrangement or understanding with any person to participate in, a distribution of the Exchange Securities to be issued in the Exchange Offer, (C) it is acquiring the Exchange Securities in its ordinary course of business, (D) if it is a broker-dealer that holds Securities that were acquired for its own account as a result of market-making activities or other trading activities (other than Securities acquired directly from the Company or any of its affiliates), it will deliver a prospectus meeting the requirements of the Securities Act in connection with any resales of the Exchange Securities received by it in the Exchange Offer, (E) if it is a broker-dealer, that it did not purchase the Securities to be exchanged in the Exchange Offer from the Company or any of its affiliates, and (F) it is not acting on behalf of any person who could not truthfully and completely make the representations contained in the foregoing subclauses (A) through (E).

4. Registration Expenses.

The Company agrees to bear and to pay or cause to be paid promptly all expenses incident to the Company’s performance of or compliance with this Agreement, including (a) all Commission and any FINRA registration, filing and review fees and expenses, (b) all fees and expenses in connection with the qualification of the Registrable Securities and the Exchange Securities, as applicable, for offering and sale under the state securities and blue sky laws referred to in Section 3(d)(xii) hereof and determination of their eligibility for investment under the laws of such jurisdictions as the Electing Holders may reasonably request, (c) all expenses relating to the preparation, printing, production, distribution and reproduction of each registration statement required to be filed hereunder, each prospectus included therein or prepared for distribution pursuant hereto, each amendment or supplement to the foregoing, the expenses of preparing the Securities or Exchange Securities, as applicable, for delivery and the expenses of printing or producing any selling agreements and blue sky or legal investment memoranda and all other documents in connection with the offering, sale or delivery of Securities or Exchange Securities, as applicable, to be disposed of (including certificates representing the Securities or

Exchange Securities, as applicable), (d) messenger, telephone and delivery expenses relating to the offering, sale or delivery of Securities or Exchange Securities, as applicable, and the preparation of documents referred in clause (c) above, (e) fees and expenses of the Trustee under the Indenture, any agent of the Trustee and any counsel for the Trustee and of any collateral agent or custodian, (f) internal expenses (including all salaries and expenses of the Company's officers and employees performing legal or accounting duties), (g) reasonable fees, disbursements and expenses of counsel and independent certified public accountants of the Company and its subsidiaries, including any acquired or predecessor entities (including the expenses of any opinions or "cold comfort" letters required by or incident to such performance and compliance), (h) reasonable fees, disbursements and expenses of one counsel for the Electing Holders retained in connection with a Shelf Registration, as selected by the Electing Holders of at least a majority in aggregate principal amount of the Registrable Securities held by Electing Holders (which counsel shall be reasonably satisfactory to the Company), (i) any fees charged by securities rating services for rating the Registrable Securities or the Exchange Securities, as applicable, and (j) fees, expenses and disbursements of any other persons, including special experts, retained by the Company in connection with such registration (collectively, the "*Registration Expenses*"). Notwithstanding the foregoing, the holders of the Registrable Securities being registered shall pay all agency fees and commissions and underwriting discounts and commissions, if any, and transfer taxes, if any, attributable to the sale of such Registrable Securities and Exchange Securities, as applicable, and the fees and disbursements of any counsel or other advisors or experts retained by such holders (severally or jointly), other than the counsel specifically referred to above.

5. Representations and Warranties.

The Company represents and warrants to, and agrees with, each Purchaser and each of the holders from time to time of Registrable Securities that:

(a) Each registration statement covering Registrable Securities, Securities or Exchange Securities, as applicable, and each prospectus (including any preliminary or summary prospectus) contained therein or furnished pursuant to Section 3(c) or Section 3(d) hereof and any further amendments or supplements to any such registration statement or prospectus, when it becomes effective or is filed with the Commission, as the case may be, will conform in all material respects to the requirements of the Securities Act and the Trust Indenture Act and the rules and regulations of the Commission thereunder and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading; and at all times subsequent to the Effective Time when a prospectus would be required to be delivered under the Securities Act, other than from (i) such time as a notice has been given to holders of Registrable Securities pursuant to Section 3(c)(iii)(G) or Section 3(d)(vii)(G) hereof until (ii) such time as the Company furnishes an amended or supplemented prospectus pursuant to Section 3(c)(iv) or Section 3(e) hereof, each such registration statement, and each prospectus (including any summary prospectus) contained therein or furnished pursuant to Section 3(c) or Section 3(d) hereof, as then amended or supplemented, will conform in all material respects to the requirements of the Securities Act and the Trust Indenture Act and the rules and regulations of the Commission thereunder and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing; *provided, however*, that this representation and warranty shall not apply to any statements or omissions made in reliance upon and in conformity with information furnished in writing to the Company by a holder of Registrable Securities expressly for use therein.

(b) Any documents incorporated by reference in any prospectus referred to in Section 5(a) hereof, when they become or became effective or are or were filed with the Commission, as the case may be, will conform or conformed in all material respects to the requirements of the Securities Act or the Exchange Act, as applicable, and none of such documents will contain or contained an untrue statement of a material fact or will omit or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading; *provided, however*, that this representation and warranty shall not apply to any statements or omissions made in reliance upon and in conformity with information furnished in writing to the Company by a holder of Registrable Securities expressly for use therein.

(c) The compliance by the Company with all of the provisions of this Agreement and the consummation of the transactions herein contemplated will not (i) conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which the Company or any of its subsidiaries is a party or by which the Company or any of its subsidiaries is bound or to which any of the property or assets of the Company or any of its subsidiaries is subject, (ii) result in any violation of the provisions of the certificate of incorporation, as amended, or the by-laws or other governing documents, as applicable, of the Company or (iii) result in any violation of any statute or any order, rule or regulation of any court or governmental agency or body having jurisdiction over the Company or any of its subsidiaries or any of their respective properties; and no consent, approval, authorization, order, registration or qualification of or with any such court or governmental agency or body is required for the consummation by the Company of the transactions contemplated by this Agreement, except (w) such conflicts, violations, consents, approvals, authorizations, orders, registrations or qualifications as would not, individually or in the aggregate, reasonably be expected to result in a material adverse change, or any development that would reasonably be expected to result in a material adverse change in the condition, financial or otherwise, or in the earnings, business, results of operations, properties or prospects, whether or not arising from transactions in the ordinary course of business, of the Company and its subsidiaries, considered one entity, (x) the registration under the Securities Act of the Registrable Securities and the Exchange Securities, as applicable, and qualification of the Indenture under the Trust Indenture Act, (y) such consents, approvals, authorizations, registrations or qualifications as may be required under state securities or blue sky laws in connection with the offering and distribution of the Registrable Securities and the Exchange Securities, as applicable, and (z) such consents, approvals, authorizations, registrations or qualifications that have been obtained and are in full force and effect as of the date hereof.

(d) This Agreement has been duly authorized, executed and delivered by the Company.

6. *Indemnification and Contribution.*

(a) *Indemnification by the Company.* The Company will indemnify and hold harmless each of the holders of Registrable Securities included in an Exchange Registration Statement, and each of the Electing Holders as holders of Registrable Securities included in a Shelf Registration Statement, against any losses, claims, damages or liabilities, joint or several, to which such holder may become subject under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in any Exchange Registration Statement or any Shelf Registration Statement, as the case may be, under which such Registrable Securities or Exchange Securities were

registered under the Securities Act, or any preliminary, final or summary prospectus (including, without limitation, any “issuer free writing prospectus” as defined in Rule 433) contained therein or furnished by the Company to any such holder, any such Electing Holder, or any amendment or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and will reimburse each such holder, and each such Electing Holder, as the case may be, for any and all legal or other expenses reasonably incurred by them in connection with investigating or defending any such action or claim as such expenses are incurred; *provided, however*, that the Company shall not be liable to any such person in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in such registration statement, or preliminary, final or summary prospectus (including, without limitation, any “issuer free writing prospectus” as defined in Rule 433), or amendment or supplement thereto, in reliance upon and in conformity with written information furnished to the Company by such person expressly for use therein.

(b) *Indemnification by the Electing Holders.* The Company may require, as a condition to including any Registrable Securities in any Shelf Registration Statement filed pursuant to Section 2(b) hereof, that the Company shall have received an undertaking reasonably satisfactory to it from each Electing Holder of such Registrable Securities included in such Shelf Registration Statement, severally and not jointly, to (i) indemnify and hold harmless the Company and all other Electing Holders of Registrable Securities included in such Shelf Registration Statement, against any losses, claims, damages or liabilities to which the Company or such other Electing Holders of Registrable Securities may become subject, under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in such registration statement, or any preliminary, final or summary prospectus (including, without limitation, any “issuer free writing prospectus” as defined in Rule 433) contained therein or furnished by the Company to any Electing Holder, or any amendment or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with written information furnished to the Company by such Electing Holder expressly for use therein, and (ii) reimburse the Company for any legal or other expenses reasonably incurred by the Company in connection with investigating or defending any such action or claim as such expenses are incurred; *provided, however*, that no such Electing Holder shall be required to undertake liability to any person under this Section 6(b) for any amounts in excess of the dollar amount of the proceeds to be received by such Electing Holder from the sale of such Electing Holder’s Registrable Securities pursuant to such registration.

(c) *Notices of Claims, Etc.* Promptly after receipt by an indemnified party under subsection (a) or (b) above of written notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against an indemnifying party pursuant to the indemnification provisions of or contemplated by this Section 6, notify such indemnifying party in writing of the commencement of such action; but the omission so to notify the indemnifying party shall not relieve it from any liability which it may have to any indemnified party otherwise than under the indemnification provisions of or contemplated by

Section 6(a) or Section 6(b) hereof. In case any such action shall be brought against any indemnified party and it shall notify an indemnifying party of the commencement thereof, such indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and, after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, such indemnifying party shall not be liable to such indemnified party for any legal expenses of other counsel or any other expenses, in each case subsequently incurred by such indemnified party, in connection with the defense thereof other than reasonable costs of investigation. In any such proceeding, any indemnified party shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such indemnified party unless (i) the indemnifying party and the indemnified party shall have mutually agreed to the contrary or (ii) the indemnifying party has failed within a reasonable time to retain counsel reasonably satisfactory to the indemnified party. No indemnifying party shall, without the prior written consent of the indemnified party, effect the settlement or compromise of, or consent to the entry of any judgment with respect to, any pending or threatened action or claim in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified party is an actual or potential party to such action or claim) unless such settlement, compromise or judgment (i) includes an unconditional release of the indemnified party from all liability arising out of such action or claim and (ii) does not include a statement as to, or an admission of, fault, culpability or a failure to act by or on behalf of any indemnified party. The indemnifying party shall not be required to indemnify the indemnified party for any amount paid or payable by the indemnified party in the settlement or compromise of, or entry into any judgment with respect to, any pending or threatened action or claim in respect of which indemnification or contribution may be sought hereunder, without the written consent of the indemnifying party, which consent shall not be unreasonably withheld.

(d) *Contribution.* If for any reason the indemnification provisions contemplated by Section 6(a) or Section 6(b) are unavailable to or insufficient to hold harmless an indemnified party in respect of any losses, claims, damages or liabilities (or actions in respect thereof) referred to therein, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect the relative fault of the indemnifying party and the indemnified party in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative fault of such indemnifying party and indemnified party shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by such indemnifying party or by such indemnified party, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The parties hereto agree that it would not be just and equitable if contributions pursuant to this Section 6(d) were determined by pro rata allocation (even if the holders were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in this Section 6(d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages, or liabilities (or actions in respect thereof) referred to above shall be deemed to include any legal or other fees or expenses reasonably incurred by such

indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 6(d), no Electing Holder shall be required to contribute any amount in excess of the amount by which the dollar amount of the proceeds received by such holder from the sale of any Registrable Securities (after deducting any fees, discounts and commissions applicable thereto) exceeds the amount of any damages which such holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The holders' obligations in this Section 6(d) to contribute shall be several in proportion to the principal amount of Registrable Securities registered by them and not joint.

(e) The obligations of the Company under this Section 6 shall be in addition to any liability which the Company may otherwise have and shall extend, upon the same terms and conditions, to each officer, director and partner of each holder, each Electing Holder, and each person, if any, who controls any of the foregoing within the meaning of the Securities Act; and the obligations of the holders and the Electing Holders contemplated by this Section 6 shall be in addition to any liability which the respective holder or Electing Holder may otherwise have and shall extend, upon the same terms and conditions, to each officer and director of the Company (including any person who, with his consent, is named in any registration statement as about to become a director of the Company) and to each person, if any, who controls the Company within the meaning of the Securities Act, as well as to each officer and director of the other holders and to each person, if any, who controls such other holders within the meaning of the Securities Act.

7. Underwritten Offerings.

Each holder of Registrable Securities hereby agrees with the Company and each other such holder that the Company shall have no obligation to provide for or arrange any underwritten offering hereunder, and no holder of Registrable Securities shall have any right to require or participate in any underwritten offering hereunder unless (a) the Company gives its prior written consent to such underwritten offering (which consent may be granted or withheld by the Company in its sole and absolute discretion), (b) the managing underwriter or underwriters thereof shall be designated by Electing Holders holding at least a majority in aggregate principal amount of the Registrable Securities to be included in such offering; *provided* that such designated managing underwriter or underwriters is or are reasonably acceptable to the Company, (c) each holder of Registrable Securities participating in such underwritten offering agrees to sell such holder's Registrable Securities on the basis provided in any underwriting arrangements approved by the persons entitled selecting the managing underwriter or underwriters hereunder and (d) each holder of Registrable Securities participating in such underwritten offering completes and executes all questionnaires, powers of attorney, indemnities, underwriting agreements and other documents reasonably required under the terms of such underwriting arrangements. The Company hereby agrees with each holder of Registrable Securities that, to the extent it consents to an underwritten offering hereunder, it will negotiate in good faith and execute all indemnities, underwriting agreements and other documents reasonably required under the terms of such underwriting arrangements, including using all commercially reasonable efforts to procure customary legal opinions and auditor "comfort" letters.

8. Rule 144.

(a) *Facilitation of Sales Pursuant to Rule 144.* The Company covenants to the holders of Registrable Securities that to the extent it shall be required to do so under the Exchange Act, the Company shall use commercially reasonable efforts to timely file the reports required to be filed by it under the Exchange Act or the Securities Act (including the reports under Sections 13 and 15(d) of the Exchange Act referred to in subparagraph (c)(1) of Rule 144) and the rules and regulations adopted by the Commission thereunder, and shall take such further action as any holder of Registrable Securities may reasonably request, all to the extent required from time to time to enable such holder to sell Registrable Securities without registration under the Securities Act within the limitations of the exemption provided by Rule 144, as such Rule may be amended from time to time, or any similar or successor rule or regulation hereafter adopted by the Commission. Upon the request of any holder of Registrable Securities in connection with that holder's sale pursuant to Rule 144, the Company shall deliver to such holder a written statement as to whether it has complied with such requirements.

(b) *Availability of Rule 144 Not Excuse for Obligations under Section 2.* The fact that holders of Registrable Securities may become eligible to sell such Registrable Securities pursuant to Rule 144 shall not (1) cause such Securities to cease to be Registrable Securities by any means other than pursuant to the definition of Registrable Securities or (2) excuse the Company's obligations set forth in Section 2 of this Agreement, including without limitation the obligations in respect of an Exchange Offer, Shelf Registration and Special Interest.

9. Miscellaneous.

(a) *No Inconsistent Agreements.* The Company represents, warrants, covenants and agrees that it has not granted, and shall not grant, registration rights with respect to Registrable Securities, Exchange Securities or Securities, as applicable, or any other securities which would be inconsistent with the terms contained in this Agreement.

(b) *Specific Performance.* The parties hereto acknowledge that there would be no adequate remedy at law if the Company fails to perform any of its obligations hereunder and that the Purchasers and the holders from time to time of the Registrable Securities may be irreparably harmed by any such failure, and accordingly agree that the Purchasers and such holders, in addition to any other remedy to which they may be entitled at law or in equity, shall be entitled to compel specific performance of the obligations of the Company under this Agreement in accordance with the terms and conditions of this Agreement, in any court of the United States or any State thereof having jurisdiction. Time shall be of the essence in this Agreement.

(c) *Notices.* All notices, requests, claims, demands, waivers and other communications hereunder shall be in writing and shall be deemed to have been duly given when delivered by hand, if delivered personally, by facsimile or by courier, or three days after being deposited in the mail (registered or certified mail, postage prepaid, return receipt requested) as follows: If to the Company, to it at Louisiana-Pacific Corporation, 414 Union Street, Suite 2000, Nashville, Tennessee 37219, facsimile no. Solecki, and if to a holder, to the address of such holder set forth in the security register or other records of the Company, or to such other

address as the Company or any such holder may have furnished to the other in writing in accordance herewith, except that notices of change of address shall be effective only upon receipt.

(d) *Parties in Interest.* All the terms and provisions of this Agreement shall be binding upon, shall inure to the benefit of and shall be enforceable by the parties hereto, and the holders from time to time of the Registrable Securities and the respective successors and assigns of the foregoing parties hereto. In the event that any transferee of any holder of Registrable Securities shall acquire Registrable Securities, in any manner, whether by gift, bequest, purchase, operation of law or otherwise, such transferee shall, without any further writing or action of any kind, be deemed a beneficiary hereof for all purposes and such Registrable Securities shall be held subject to all of the terms of this Agreement, and by taking and holding such Registrable Securities such transferee shall be entitled to receive the benefits of, and be conclusively deemed to have agreed to be bound by all of the applicable terms and provisions of this Agreement. If the Company shall so request, any such successor, assign or transferee shall agree in writing to acquire and hold the Registrable Securities subject to all of the applicable terms hereof.

(e) *Survival.* The respective indemnities, agreements, representations, warranties and each other provision set forth in this Agreement or made pursuant hereto shall remain in full force and effect regardless of any investigation (or statement as to the results thereof) made by or on behalf of any holder of Registrable Securities, any director, officer or partner of such holder, or any controlling person of any of the foregoing, and shall survive delivery of and payment for the Registrable Securities pursuant to the Purchase Agreement and the transfer and registration of Registrable Securities by such holder and the consummation of an Exchange Offer.

(f) ***Governing Law.*** This Agreement shall be governed by and construed in accordance with the laws of the State of New York.

(g) *Headings.* The descriptive headings of the several Sections and paragraphs of this Agreement are inserted for convenience only, do not constitute a part of this Agreement and shall not affect in any way the meaning or interpretation of this Agreement.

(h) *Entire Agreement; Amendments.* This Agreement and the other writings referred to herein (including the Indenture, the Purchase Agreement and the form of Securities) or delivered pursuant hereto which form a part hereof contain the entire understanding of the parties with respect to its subject matter. This Agreement supersedes all prior agreements and understandings between the parties with respect to its subject matter. This Agreement may be amended and the observance of any term of this Agreement may be waived (either generally or in a particular instance and either retroactively or prospectively) only by a written instrument duly executed by the Company and the holders of at least a majority in aggregate principal amount of the Registrable Securities at the time outstanding. Each holder of any Registrable Securities at the time or thereafter outstanding shall be bound by any amendment or waiver effected pursuant to this Section 9(h), whether or not any notice, writing or marking indicating such amendment or waiver appears on such Registrable Securities or is delivered to such holder.

(i) *Inspection.* For so long as this Agreement shall be in effect, this Agreement and a complete list of the names and addresses of all the record holders of Registrable Securities shall be made available for inspection and copying on any Business Day by any holder of

Registrable Securities for proper purposes only (which shall include any purpose related to the rights of the holders of Registrable Securities under the Securities, the Indenture and this Agreement) at the offices of the Company at the address thereof set forth in Section 9(c) above and at the office of the Trustee under the Indenture.

(j) *Counterparts*. This Agreement may be executed by the parties in counterparts, each of which shall be deemed to be an original, but all such respective counterparts shall together constitute one and the same instrument.

(k) *Severability*. If any provision of this Agreement, or the application thereof in any circumstance, is held to be invalid, illegal or unenforceable in any respect for any reason, the validity, legality and enforceability of such provision in every other respect and of the remaining provisions contained in this Agreement shall not be affected or impaired thereby.

One of the selling shareholders wanted to do a short sale of common stock "against the box" and cover the short sale with registered shares after the effective date. The issuer was advised that the short sale could not be made before the registration statement becomes effective, because the shares underlying the short sale are deemed to be sold at the time such sale is made. There would, therefore, be a violation of Section 5 if the shares were effectively sold prior to the effective date."

By returning this Notice and Questionnaire, the undersigned Selling Securityholder will be deemed to be aware of the foregoing interpretation.
