

Louisiana-Pacific Corporation

Q3 2015 Financial Results
November 3, 2015

These slides were prepared and should be read in conjunction with the earnings release by LP's management on November 3, 2015 relating to LP's financial condition and results of operations as of and for the quarter ended September 30, 2015. LP does not intend to update these slides. Accordingly, you should not assume that the information contained in these slides will continue to be accurate as of any date after November 3, 2015.

Forward Looking Statements

This presentation contains statements concerning Louisiana Pacific Corporation's (LP) future results and performance that are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. The accuracy of such statements is subject to a number of risks, uncertainties and assumptions that may cause actual results to differ materially from those projected, including, but not limited to, the effect of general economic conditions, including the level of interest rates and housing starts, market demand for the company's products, and prices for structural products; the effect of forestry, land use, environmental and other governmental regulations; the ability to obtain regulatory approvals; and the risk of losses from fires, floods and other natural disasters. These and other factors that could cause or contribute to actual results differing materially from such forward-looking statements are discussed in greater detail in the company's Securities and Exchange Commission filings.

Statement Relating to the Use of Non-GAAP Financial Measures

During the course of this presentation, certain non-U.S. GAAP financial information will be presented. Reconciliation of those numbers to U.S. GAAP financial measures are available on the company's website at www.lpcorp.com under the Investor Relations Presentations section.
